

Department of Planning and Budget

2023 Fiscal Impact Statement

1. Bill Number: SB1050

House of Origin	<input type="checkbox"/> Introduced	<input type="checkbox"/> Substitute	<input type="checkbox"/> Engrossed
Second House	<input type="checkbox"/> In Committee	<input type="checkbox"/> Substitute	<input checked="" type="checkbox"/> Enrolled

2. Patron: McPike

3. Committee: Passed both Houses

4. Title: Permit for coal ash landfill storage; proximity to a private well prohibited.

5. Summary: Prohibits the approval of any new permit for a coal ash storage facility in Planning District 8 if such facility is located within one mile of an existing residential area that is not served by municipal water supply, unless the owner or operator has offered to provide municipal water supply service for such residential area and any requested service connections for residential properties in existence at the time such permit application is filed. Any such offer is required to be made in writing to any resident located within one mile of the facility boundary and in coordination with the municipal water supply service.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Final. See item 8.

8. Fiscal Implications: It is anticipated that any fiscal impact on the Department of Environmental Quality as a result of this bill can be absorbed within existing resources.

9. Specific Agency or Political Subdivisions Affected: Department of Environmental Quality; Virginia Waste Management Board; localities.

10. Technical Amendment Necessary: No.

11. Other Comments: None.
