

Department of Planning and Budget

2023 Fiscal Impact Statement

1. Bill Number: SB1453

House of Origin	<input checked="" type="checkbox"/> Introduced	<input type="checkbox"/> Substitute	<input type="checkbox"/> Engrossed
Second House	<input type="checkbox"/> In Committee	<input type="checkbox"/> Substitute	<input type="checkbox"/> Enrolled

2. Patron: McPike

3. Committee: Finance and Appropriations

4. Title: Public elementary and secondary schools; automated external defibrillators required.

5. Summary: Requires each local school board to develop a plan for the placement, care, and use of an automated external defibrillator in every public elementary and secondary school in the local school division and to place an automated external defibrillator in every public elementary and secondary school in the local school division. Under current law, such a plan is optional and there is no requirement for each school board to place an automated external defibrillator in every public elementary and secondary school in the local school division.

6. Budget Amendment Necessary: No

7. Fiscal Impact Estimates: Preliminary, see item 8.

8. Fiscal Implications: There is no anticipated state fiscal impact resulting from the provisions of this bill. If the costs of automated defibrillators are captured in support costs used to calculate Direct Aid to Public Education there could be a small impact on state funding. Any actual future impact would be dependent on rebenchmarking the Direct Aid to Public Education budget for future biennia. Any impact to local school divisions is indeterminate.

9. Specific Agency or Political Subdivisions Affected: Local school divisions

10. Technical Amendment Necessary: No

11. Other Comments: None
