55 *A. When a person offers to vote and his name does not appear on the pollbook, the officers of*  
 56 *election shall permit him to vote only if all of the following conditions are met:*

1. An officer of election is informed by the general registrar that the voter is registered to vote, that his registration has not been cancelled, and that his name is erroneously omitted from the pollbook.

2. The voter signs a statement, subject to felony penalties for false statements pursuant to § 24.2-1016, that he is a qualified and registered voter of that precinct, a resident of that precinct, and his registration is not subject to cancellation pursuant to §§ 24.2-430, § 24.2-431, and 24.2-432; and he provides, subject to such penalties, all the information required to identify himself including the last four digits of his social security number, if any, full name including the maiden or any other prior legal name, birthdate, and complete address.

3. The officer of election enters the identifying information for the voter on the pollbook.

When the voter has signed the statement and is permitted to vote, the officers of election shall mark his name on the pollbook with the next consecutive number from the voter count form, or shall enter that the voter has voted if the pollbook is in electronic form, and shall indicate on the pollbook that he has signed the required statement in accordance with the instructions of the State Board.

B. If the general registrar is not available or cannot state that the person is registered to vote, such person shall be allowed to vote by provisional ballot pursuant to § 24.2-653. The officers of election shall provide to him an application for registration. The State Board of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots.

**§ 24.2-706. Duty of general registrar on receipt of application; statement of voter.**

A. On receipt of an application for an absentee ballot, the general registrar shall enroll the name and address of each registered applicant on an absentee voter applicant list that shall be maintained in the office of the general registrar with a file of the applications received. The list shall be available for inspection and copying and the applications shall be available for inspection only by any registered voter during regular office hours. Upon request and for a reasonable fee, the Department of Elections shall provide an electronic copy of the absentee voter applicant list to any political party or candidate. Such list shall be used only for campaign and political purposes. Any list made available for inspection and copying under this section shall contain the post office box address in lieu of the residence street address for any individual who has furnished at the time of registration or subsequently, in addition to his street address, a post office box address pursuant to subsection B of § 24.2-418.

No list or application containing an individual's social security number, or any part thereof, or the individual's day and month of birth, shall be made available for inspection or copying by anyone. The Department of Elections shall prescribe procedures for general registrars to make the information in the lists and applications available in a manner that does not reveal social security numbers or parts thereof, or an individual's day and month of birth.

B. The completion and timely delivery of an application for an absentee ballot shall be construed to be an offer by the applicant to vote in the election.

The general registrar shall note on each application received whether the applicant is or is not a registered voter. In reviewing the application for an absentee ballot, the general registrar shall not reject the application of any individual because of an error or omission on any record or paper relating to the application, if such error or omission is not material in determining whether such individual is qualified to vote absentee.

C. If the application has been properly completed and signed and the applicant is a registered voter of the precinct in which he offers to vote, the general registrar shall, at the time when the printed ballots for the election are available, send by the deadline set out in § 24.2-612, obtaining a certificate or other evidence of either first-class or expedited mailing or delivery from the United States Postal Service or other commercial delivery provider, or deliver to him in person in the office of the registrar, the following items and nothing else:

1. An envelope containing the folded ballot, sealed and marked "Ballot within."

2. An envelope for resealing the marked ballot, on which envelope is printed the following:

121 Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. § 20301 et seq.) shall be sent to  
122 voters who are qualified to vote absentee under that Act.

123 For purposes of properly completing this statement, the unique identifier assigned to the voter in the  
124 voter registration system pursuant to subdivision A 1 of § 24.2-404 shall be accepted in place of the last  
125 four digits of the voter's social security number for those voters whose registration includes a statement  
126 of affirmation that they have never been issued a social security number.

127 ~~When this statement has been properly completed and signed by the registered voter, his ballot shall~~  
128 ~~not be subject to challenge pursuant to § 24.2-651.~~

130 registrar by mail or by the applicant in person, or to a drop-off location.

131 4. Printed instructions for completing the ballot and statement on the envelope and returning the  
132 ballot. Such instructions shall include information on the sites of all drop-off locations in the county or  
133 city. Whenever there is a proposed constitutional amendment or a statewide referendum to be voted on  
134 by the voters, these instructions shall also include the website address where the explanation of the  
135 proposed amendment prepared pursuant to § 30-19.9 or the information about the referendum prepared  
136 pursuant to § 30-19.10 is posted on the Department's website.

137 For federal elections held after January 1, 2004, for any voter who is required by subparagraph (b) of  
138 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time the voter  
139 votes in a federal election in the state, the printed instructions shall direct the voter to submit with his  
140 ballot (i) a copy of a current and valid photo identification or (ii) a copy of a current utility bill, bank  
141 statement, government check, paycheck or other government document that shows the name and address  
142 of the voter. Such individual who desires to vote by mail but who does not submit one of the forms of  
143 identification specified in this paragraph may cast such ballot by mail and the ballot shall be counted as  
144 a provisional ballot under the provisions of § 24.2-653.01. The Department of Elections shall provide  
145 instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to  
146 § 24.2-653.01 and this section.

147 5. For any voter entitled to vote absentee under the Uniformed and Overseas Citizens Absentee  
148 Voting Act (52 U.S.C. § 20301 et seq.), information provided by the Department of Elections specific to  
149 the voting rights and responsibilities for such citizens, or information provided by the registrar specific  
150 to the status of the voter registration and absentee ballot application of such voter, may be included.

151 The envelopes and instructions shall be in the form prescribed by the Department of Elections.

152 D. The general registrar may contract with a third party for the printing, assembly, and mailing of  
153 the items set forth in subsection C. The general registrar shall provide to the contractor in a timely  
154 manner the names, addresses, precincts, and ballot styles of voters requesting an absentee ballot by mail.  
155 The vendor shall provide to the general registrar a report of the voters to whom the absentee ballot  
156 materials have been sent.

157 E. If the applicant completes his application in person under § 24.2-701 at a time when the printed  
158 ballots for the election are available, he may request that the general registrar send to him by mail the  
159 items set forth in subdivisions C 1 through 4, instead of casting the ballot in person. Such request shall  
160 be made no later than 5:00 p.m. on the eleventh day prior to the election in which the applicant offers  
161 to vote, and the general registrar shall send those items to the applicant by mail, obtaining a certificate  
162 or other evidence of mailing.

163 F. If the applicant is a covered voter, as defined in § 24.2-452, the general registrar, at the time when  
164 the printed ballots for the election are available, shall mail by the deadline set forth in § 24.2-612 or  
165 deliver in person to the applicant in the office of the general registrar the items as set forth in  
166 subdivisions C 1 through 4 and, if necessary, an application for registration. A certificate or other  
167 evidence of mailing shall not be required. If the applicant requests that such items be sent by electronic  
168 transmission, the general registrar, at the time when the printed ballots for the election are available but  
169 not later than the deadline set forth in § 24.2-612, shall send by electronic transmission the blank ballot,  
170 the form for the envelope for returning the marked ballot, and instructions to the voter. Such materials  
171 shall be sent using the official email address or fax number of the office of the general registrar  
172 published on the Department of Elections website. The State Board of Elections may prescribe by  
173 regulation the format of the email address used for transmitting ballots to eligible voters. A general  
174 registrar may also use electronic transmission facilities provided by the Federal Voting Assistance  
175 Program. The voted ballot shall be returned to the general registrar as otherwise required by this chapter.

176 G. The circuit courts shall have jurisdiction to issue an injunction to enforce the provisions of this  
177 section upon the application of (i) any aggrieved voter, (ii) any candidate in an election district in whole  
178 or in part in the court's jurisdiction where a violation of this section has occurred, or is likely to occur,

179 or (iii) the campaign committee or the appropriate district political party chairman of such candidate.  
180 Any person who fails to discharge his duty as provided in this section through willful neglect of duty  
181 and with malicious intent shall be guilty of a Class 1 misdemeanor as provided in subsection A of  
182 § 24.2-1001.  
183 2. That §§ 24.2-429, 24.2-430, 24.2-432, 24.2-433, and 24.2-651 of the Code of Virginia are  
184 repealed.
