6 **Be it enacted by the General Assembly of Virginia:**7 **1. That §§ 46.2-1177.1 and 46.2-1182 of the Code of Virginia are amended and reenacted as**
8 **follows:**9 **§ 46.2-1177.1. Inspection program coordinator; agreement for services.**

10 The Director may enter into an agreement to designate a program coordinator for all inspection
11 programs pursuant to this article, except that no on-road clean screen program or any program or
12 inspection process that utilizes remote sensing shall be included in the agreement. The Director shall
13 determine the services to be provided by the program coordinator and the amount to be paid to the
14 program coordinator for such services by the Department. Such agreement shall include a provision that
15 the program coordinator shall provide and maintain inspection stations as defined in § 46.2-1176 with
16 equipment, as set forth in this article, as required for a station to provide inspections. In addition to the
17 amount the Director agrees for the Department to pay the program coordinator, the agreement shall
18 permit the program coordinator to be paid up to ~~\$3,500~~ \$5,000 per year from each inspection station for
19 each set of required equipment for the provision and maintenance of such equipment by the program
20 coordinator.

21 **§ 46.2-1182. Emissions inspection fees; exemption.**

22 Emissions inspection stations performing emissions inspections under subsection A of § 46.2-1178
23 may charge \$11.40 for each emissions inspection, but such charge shall not be mandatory. Any such fee
24 shall be paid to the emissions inspection station.

25 Each emissions inspection station performing emissions inspections under subsection B of
26 § 46.2-1178 may charge for each emissions inspection an amount not to exceed \$17. Any such fee shall
27 be paid to and retained by the emissions inspection station.

28 Beginning at such date upon which the program becomes an enhanced emissions program, each
29 emissions inspection station performing emissions inspections under subsection C of § 46.2-1178 may
30 charge an amount not to exceed ~~\$28~~ \$30 for each emissions inspection. Any such fee shall be paid to
31 and retained by the emissions inspection station.

32 Within 14 days of an initial failure of an emissions inspection performed at an emissions inspection
33 station, the vehicle's owner shall be entitled to one free reinspection at the station or facility that
34 conducted the original inspection.

35 The on-road emissions inspector performing emissions inspections under subsection C of § 46.2-1178
36 may charge each motor vehicle owner who elects to participate in the on-road clean screen program an
37 amount not to exceed ~~\$28~~ \$30 for each emissions inspection. Any such fee shall be paid to the on-road
38 emissions inspector. From each emissions inspection fee received by the on-road emissions inspector, a
39 minimum of \$4.50 shall be appropriated to the Highway Maintenance and Operating Fund established
40 pursuant to § 33.2-1530.
