Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Title 59.1 a chapter numbered 22.22, consisting of a section numbered 59.1-284.43, as follows:

CHAPTER 22.22.**FINANCIAL SERVICES EXPANSION GRANT FUND.****§ 59.1-284.43. Financial Services Expansion Grant Fund.**

A. As used in this chapter, unless the context requires a different meaning:

"Capital investment" means an expenditure by or on behalf of a qualified company on or after July 1, 2023, in real property, taxable tangible personal property, or both, at a facility in an eligible county that is properly chargeable to a capital account or would be so chargeable with a proper election. The purchase or lease of furniture, fixtures, business personal property, machinery and tools, including under an operating lease, and expected building construction and up-fit by or on behalf of a qualified company shall qualify as capital investment.

"Eligible county" means Roanoke County.

"Facility" means the building, group of buildings, or corporate campus, including any related machinery and tools, furniture, fixtures, and business personal property, that is located at or near a qualified company's operations in an eligible county and is owned, leased, licensed, occupied, or otherwise operated by a qualified company as an operations facility for use in provision of customer support for financial services.

"Fund" means the Financial Services Expansion Grant Fund.

"Grants" means the grant payments from the Fund awarded to a qualified company in an amount not to exceed \$15 million in the aggregate during the time frame described in subsections C and D. The proceeds of the grants may be used by the qualified company for payment or reimbursement of the costs of workforce development, costs of construction and development of the facility, or any other lawful purpose.

"Memorandum of understanding" means a performance agreement or related documents entered into on September 25, 2023, by a qualified company, the Commonwealth, and VEDP that sets forth the requirements for capital investment and the creation of new full-time jobs by a qualified company in order for a qualified company to be eligible for grants from the Fund.

"New full-time job" means a job position in which the employee of a qualified company is principally located at a facility, for which the average annual wage for the applicable year is at least equal to the average annual wage for that year required by the memorandum of understanding, and for which the qualified company provides standard fringe benefits. Such position shall require a minimum of either (i) 35 hours of an employee's time per week for the entire normal year of the qualified company's operations, which "normal year" shall consist of at least 48 weeks, or (ii) 1,680 hours per year. Seasonal or temporary positions and positions with construction contractors, vendors, suppliers, and similar multiplier or spin-off jobs shall not qualify as "new full-time jobs". The Commonwealth may gauge compliance with the new full-time job requirements for a qualified company by reference to the new payroll generated by a qualified company, if so indicated in the memorandum of understanding.

"Qualified company" means a company, including its affiliates, that engages in the provision of customer support for financial services in an eligible county and that between July 1, 2023, and December 31, 2033, is expected to (i) make a capital investment of at least \$87 million and (ii) create at least 1,100 new full-time jobs related to or supportive of its business.

"Secretary" means the Secretary of Commerce and Trade or his designee.

"VEDP" means the Virginia Economic Development Partnership Authority.

B. There is hereby created in the state treasury a special nonreverting fund to be known as the Financial Services Expansion Grant Fund. The Fund shall be established on the books of the Comptroller. All funds appropriated to the Fund shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any

65 starting on July 1, 2033, unless such timeframe is extended in accordance with a memorandum of

67 Assembly during each such fiscal year and are contingent on a qualified company meeting the
68 requirements set forth in this chapter and the memorandum of understanding for the number of new
69 full-time jobs created and maintained and the amount of capital investment made. The first grant
70 payment shall not be awarded until a qualified company has created at least 377 new full-time jobs and

101 the Secretary in person, by mail, or as otherwise agreed upon in a memorandum of understanding no
102 later than April 1 of each year reflecting performance through the last day of the prior calendar year.
103 Failure to meet the filing deadline shall result in a deferral of a scheduled grant installment payment
104 set forth in subsection D. For filings by mail, the postmark cancellation shall govern the date of the
105 filing determination.

106 F. Within 60 days of receiving an application and evidence pursuant to subsection E, the Secretary
107 shall certify to the Comptroller and the qualified company the amount of grants to which such qualified
108 company is entitled for payment. Payment of such grants shall be made by check issued by the State
109 Treasurer on warrant of the Comptroller in the Commonwealth's fiscal year following the submission of
110 an application. The Comptroller shall not draw any warrant to issue checks for grants without a
111 specific appropriation for the same.

112 G. As a condition of receipt of grants under this section, a qualified company shall make available
113 to the Secretary for inspection, upon request, all documents relevant and applicable to determining
114 whether the qualified company has met the requirements for receipt of a grant as set forth in this
