1. That §§ 24.2-107, 24.2-411, 24.2-413, 24.2-604, 24.2-653.01, 24.2-671, 24.2-679, 24.2-701.1, 24.2-707.1, 24.2-712, and 24.2-802.1 of the Code of Virginia are amended and reenacted as follows:

§ 24.2-107. Meetings; quorum; notice; account of proceedings; seal; records open to inspection.

A. The electoral board of each city and county shall meet during the first week in February of the year in which it is to appoint officers of election pursuant to § 24.2-115 and during the month of March each year at the time set by the board and at any other time on the call of any board member. Two members shall constitute a quorum. Notice of each meeting shall be given to all board members either by the secretary or the member calling the meeting at least three business days prior to the meeting except in the case of an emergency as defined in § 2.2-3701. Notice shall be given to the public as required by § 2.2-3707. All meetings shall be conducted in accordance with the requirements of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.) unless otherwise provided by this section.

Notwithstanding the public notice requirements of § 2.2-3707, two or more members of an electoral board may meet on election day to discuss a matter concerning that day's election, where such matter requires resolution on that day, and an effort has been made by all available means to give notice of the meeting to all board members. The presence of two or more board members while the ballots, election materials, or voting equipment are being prepared, current or potential polling places are being inspected, or election officials are being trained, or a telephone call between two board members preparing for a meeting, shall not constitute a meeting provided that no discussion or deliberation takes place that would otherwise constitute a meeting.

B. The secretary shall keep an accurate account of all board proceedings in a minute book, including all appointments and removals of general registrars and officers of election. The secretary shall keep in his custody the duly adopted seal of the board.

C. Minutes of meetings that are required to be recorded pursuant to § 2.2-3707 shall be posted on the website of the electoral board or the official website for the county or city, when such means are available. Minutes of meetings shall be posted as soon as possible but no later than one week prior to the following meeting of the electoral board.

D. Books, papers, and records of the board shall be open to public inspection and copying whenever the general registrar's office is open for business either at the office of the board or the office of the general registrar. The general registrar shall determine a reasonable charge, not to exceed the fee authorized pursuant to subdivision A 8 of § 17.1-275, to be paid for copies made from the books, papers, and records of the board. No election record containing an individual's social security number, or any part thereof, shall be made available for inspection or copying by anyone. The State Board of Elections shall prescribe procedures for local electoral boards and general registrars to make the information in certificates of candidate qualification available in a manner that does not reveal social security numbers or any parts thereof.

E. It is unlawful for any person (i) to knowingly carry on or about his person any firearm as defined in § 18.2-308.2:2 and (ii) to knowingly do so within 100 feet of any building, or part thereof, used as a meeting place for the local electoral board, unless such person is (a) a law-enforcement officer or a retired law-enforcement officer qualified pursuant to subsection C of § 18.2-308.016; (b) occupying his own private property that falls within 100 feet of the building used as a meeting place; or (c) an armed security officer, licensed pursuant to Article 4 (§ 9.1-138 et seq.) of Chapter 1 of Title 9.1, whose employment or performance of his duties occurs within 100 feet of any building, or part thereof, used as a meeting place for the local electoral board.

 66 determined and set by the general registrar or the electoral board.

67 C. The general registrar may close the office of the general registrar (i) for off-site training purposes
 68 for no more than four consecutive or cumulative days each year, provided that notice of the closure is
 69 posted on the official website of the county or city and in no fewer than two public places at least 72
 70 hours before such closure, and (ii) quarterly to provide training in the office for a period not to exceed
 71 four hours without providing notice. However, no closure permitted by clause (i) or clause (ii) shall
 72 occur (a) within the seven days immediately preceding and immediately following an election, (b)
 73 during the period for absentee voting required by subsection A of § 24.2-701, (c) on the final
 74 registration day pursuant to § 24.2-414, or (d) on a deadline specified in the Campaign Finance

102 **§ 24.2-604. Polling places; prohibited activities; prohibited area; penalties.**

103 A. During the times the polls are open and ballots are being counted, or within one hour of opening
 104 or after closing, it is unlawful for any person (i) to loiter or congregate within 40 feet of any entrance of
 105 any polling place; (ii) within such distance to give, tender, or exhibit any ballot, ticket, or other

110 B. Prior to opening the polls, the officers of election shall post, in the area within 40 feet of any
 111 entrance to the polling place, sufficient notices that state "Prohibited Area" in two-inch type, *except that*
 112 *notice of prohibited firearm possession shall be posted in the area within 100 feet of the entrance.* The
 113 notices shall also state the provisions of this section in not less than 24-point type. The officers of
 114 election shall post the notices within the prohibited area to be visible to voters and the public.

115 C. It is unlawful for any authorized representative permitted in the polling place pursuant to
 116 § 24.2-604.4, any voter, or any other person in the room to (i) hinder or delay a qualified voter; (ii)
 117 give, tender, or exhibit any ballot, ticket, or other campaign material to any person; (iii) solicit or in any

manner attempt to influence any person in casting his vote; (iv) hinder or delay any officer of election; (v) be in a position to see the marked ballot of any other voter; or (vi) otherwise impede the orderly conduct of the election.

D. The provisions of subsections A and C shall not be construed to prohibit a person who approaches or enters the polling place for the purpose of voting from wearing a shirt, hat, or other apparel on which a candidate's name or a political slogan appears or from having a sticker or button attached to his apparel on which a candidate's name or a political slogan appears. This exemption shall not apply to candidates, representatives of candidates, or any other person who approaches or enters the polling place for any purpose other than voting.

E. This section shall not be construed to prohibit a candidate from entering any polling place on the day of the election to vote, or to visit a polling place for no longer than 10 minutes per polling place per election day, provided that he complies with the restrictions stated in subsections A, C, and D.

F. The provisions of clause (iv) of subsection A shall not apply to (i) any law-enforcement officer or any retired law-enforcement officer qualified pursuant to subsection C of § 18.2-308.016; (ii) any person occupying his own private property that falls within 40 100 feet of a polling place; or (iii) an armed security officer, licensed pursuant to Article 4 (§ 9.1-138 et seq.) of Chapter 1 of Title 9.1, whose employment or performance of his duties occurs within 40 100 feet of any building, or part thereof, used as a polling place.

G. The officers of election may require any person who is found by a majority of the officers present to be in violation of this section to remain outside of the prohibited area. Any person violating subsection A or C is guilty of a Class 1 misdemeanor.

§ 24.2-653.01. Provisional ballots; electoral boards to make determination as to validity.

A. The electoral board shall meet on the day following the election and determine whether each person having submitted a provisional vote pursuant to § 24.2-653 was entitled to do so as a qualified voter in the precinct in which he offered the provisional vote. In the case of persons voting provisionally pursuant to § 24.2-653.3, the electoral board shall determine of which district the person is a qualified voter. At the meeting, the voter may request an extension of the determination of the provisional vote in order to provide information to prove that the voter is entitled to vote in the precinct pursuant to § 24.2-401. The electoral board shall have the authority to grant such extensions that it deems reasonable to determine the status of a provisional vote.

If the board is unable to determine the validity of all the provisional ballots offered in the election, or has granted any voter who has offered a provisional ballot an extension, the meeting shall stand adjourned, not to exceed seven calendar days from the date of the election, until the board has determined the validity of all provisional ballots offered in the election.

B. The electoral board shall permit one authorized representative of each political party or independent candidate in a general or special election or one authorized representative of each candidate in a primary election to remain in the room in which the determination is being made as an observer so long as he does not participate in the proceedings and does not impede the orderly conduct of the determination. Each authorized representative shall be a qualified voter of any jurisdiction of the Commonwealth. Each representative, who is not himself a candidate or party chairman, shall present to the electoral board a written statement designating him to be a representative of the party or candidate and signed by the county or city chairman of his political party, the independent candidate, or the primary candidate, as appropriate. If the county or city chairman is unavailable to sign such a written designation, such a designation may be made by the state or district chairman of the political party. However, no written designation made by a state or district chairman shall take precedence over a written designation made by the county or city chairman. Such statement, bearing the chairman's or candidate's original signature, may be photocopied and such photocopy shall be as valid as if the copy had been signed.

Notwithstanding the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.), attendance at meetings of the electoral board to determine the validity of provisional ballots shall be permitted only for the authorized representatives provided for in this subsection, for the persons whose provisional votes are being considered and their representative or legal counsel, and for appropriate staff and legal counsel for the electoral board.

C. If the electoral board determines that such person was not entitled to vote as a qualified voter in the precinct or district in which he offered the provisional vote, is unable to determine his right to vote, or has not been provided one of the forms of identification specified in subsection B of § 24.2-643, or the signed statement that the voter is the named registered voter he claims to be, the envelope containing his ballot shall not be opened and his vote shall not be counted. The general registrar shall notify in writing pursuant to § 24.2-114 those persons found not properly registered or whose provisional vote was not counted.

The provisional vote shall be counted if (i) such person is entitled to vote in the precinct pursuant to

§ 24.2-401 or (ii) the Department of Elections or the voter presents proof that indicates the voter submitted an application for registration to a state-designated voter registration agency or the voter's information was transmitted by the Department of Motor Vehicles to the Department of Elections pursuant to § 24.2-411.3 prior to the close of registration pursuant to § 24.2-416 and the registrar determines that the person was qualified for registration based upon the application for registration submitted by the person pursuant to subsection B of § 24.2-652.

If the electoral board determines that such person was entitled to vote, the name of the voter shall be entered in a provisional votes pollbook and marked as having voted, the envelope shall be opened, and the ballot shall be placed in a ballot container without any inspection further than that provided for in § 24.2-646.

D. On completion of its determination, the electoral board shall proceed to count such ballots and certify the results of its count. Its certified results shall be added to those found pursuant to § 24.2-671. No adjustment shall be made to the statement of results for the precinct in which the person offered to vote. However, any voter who cast a provisional ballot and is determined by the electoral board to have been entitled to vote shall have his name included on the list of persons who voted that is submitted to the Department of Elections pursuant to § 24.2-406.

E. The certification of the results of the count together with all ballots and envelopes, whether open or unopened, and other related material shall be delivered by the electoral board to the clerk of the circuit court and retained by him as provided for in §§ 24.2-668 and 24.2-669.

F. It is unlawful for any person (i) to knowingly carry on or about his person any firearm as defined in § 18.2-308.2:2 and (ii) to knowingly do so within 100 feet of any building, or part thereof, used as a meeting place for the local electoral board, unless such person is (a) a law-enforcement officer or a retired law-enforcement officer qualified pursuant to subsection C of § 18.2-308.016; (b) occupying his own private property that falls within 100 feet of the building used as a meeting place; or (c) an armed security officer, licensed pursuant to Article 4 (§ 9.1-138 et seq.) of Chapter 1 of Title 9.1, whose employment or performance of his duties occurs within 100 feet of any building, or part thereof, used as the meeting place for the local electoral board while the electoral board meets pursuant to this section.

§ 24.2-671. Electoral board to meet and ascertain results; conclusiveness of results.

A. Each electoral board shall meet at the clerk's or general registrar's office of the county or city for which they are appointed at or before 5:00 p.m. on the day after any election. The board may adjourn to another room of sufficient size in a public building to ascertain the results, and may adjourn as needed, not to exceed seven calendar days from the date of the election unless an extension has been granted to accommodate a risk-limiting audit conducted pursuant to § 24.2-671.2. Written directions to the location of any room other than the clerk's or general registrar's office where the board will meet shall be posted at the doors of the clerk's and general registrar's offices prior to the beginning of the meeting.

~~The board shall open the returns delivered by the officers.~~

If the electoral board has exercised the option provided by § 24.2-668 for delivery of the election materials to the office of the general registrar on the night of the election, the electoral board shall meet at the office of the general registrar at or before 5:00 p.m. on the day after any election.

B. The board shall *open the returns delivered by the officers and* ascertain from the returns the total votes in the county or city, or town in a town election, for each candidate and for and against each question and complete the abstract of votes cast at such election, as provided for in § 24.2-675. For any office in which no person was elected by write-in votes, and for which the total number of write-in votes for that office is less than (i) 10 percent of the total number of votes cast for that office and (ii) the total number of votes cast for the candidate receiving the most votes, the electoral board shall ascertain the total votes for each write-in candidate for the office within one week following the election. For offices for which the electoral board issues the certificate of election, the result so ascertained, signed and attested, shall be conclusive and shall not thereafter be subject to challenge except as specifically provided in Chapter 8 (§ 24.2-800 et seq.).

Once the result is so ascertained, the secretary of the electoral board shall deliver one copy of each statement of results to the general registrar to be available for inspection when his office is open for business. The secretary shall then return all pollbooks, any printed inspection and return sheets, and one copy of each statement of results to the clerk.

~~Beginning with the general election in November 2007,~~ a C. A report of any changes made by the local electoral board to the unofficial results ascertained by the officers of election or any subsequent change to the official abstract of votes made by the local electoral board shall be forwarded to the State Board of Elections and the explanation of such change shall be posted on the State Board website.

D. Each political party and each independent candidate on the ballot, or each primary candidate, shall be entitled to have representatives present when the local electoral board meets to ascertain the results of the election. Each such party and candidate shall be entitled to have at least as many representatives present as there are teams of officials working to ascertain the results, and the room in which the local

electoral board meets shall be of sufficient size and configuration to allow the representatives reasonable access and proximity to view the ballots as the teams of officials work to ascertain the results. The representatives and observers lawfully present shall be prohibited from interfering with the officials in any way.

E. It is unlawful for any person (i) to knowingly possess carry on or about his person any firearm as defined in § 18.2-308.2:2 and (ii) to knowingly do so within 40 100 feet of any building, or part thereof, used as a meeting place for the local electoral board while the electoral board meets to ascertain the results of an election, unless such person is (a) any law-enforcement officer or any retired law-enforcement officer qualified pursuant to subsection C of § 18.2-308.016; (b) occupying his own private property that falls within 40 100 feet of a polling place; or (c) an armed security officer, licensed pursuant to Article 4 (§ 9.1-138 et seq.) of Chapter 1 of Title 9.1, whose employment or performance of his duties occurs within 40 100 feet of any building, or part thereof, used as a meeting place for the local electoral board while the electoral board meets to ascertain the results of an election.

§ 24.2-679. State Board to meet and make statement as to number of votes.

A. The State Board shall meet by the first Monday in December to ascertain the results of the November election. If a majority of the Board is not present or if, for any other reason, the Board is unable to ascertain the results on that day, the meeting shall stand adjourned from day to day for not more than three days until a quorum is present and the Board has ascertained the results as provided in this section.

The Board shall examine the certified abstracts on file in its office and make statements of the whole number of votes given at any such election for members of the General Assembly, Governor, Lieutenant Governor and Attorney General, members of the United States Congress and electors of President and Vice President of the United States, and any officer shared by more than one county or city, or any combination thereof, or for so many of such officers as have been voted for at the election.

The statement shall show, for each office and each county, city, and election district, the whole number of votes given to each candidate and to any other person elected to office. The Board members shall certify the statements to be correct and sign the statements. The Board shall then determine those persons who received the greatest number of votes and have been duly elected to each office. The Board members shall endorse and subscribe on such statements a certificate of their determination. The Board shall record each certified statement and determination in a suitable book to be kept by it in its office.

B. The State Board shall meet as soon as possible after it receives the returns for any special election held at a time other than the November general election to ascertain the results of the special election in the manner prescribed in subsection A. If the returns have not been received within seven days of the election, the Board shall meet and adjourn from day to day until it receives the returns, ascertains the results, and makes its determination.

C. It is unlawful for any person (i) to knowingly carry on or about his person any firearm as defined in § 18.2-308.2:2 and (ii) to knowingly do so within 100 feet of any building, or part thereof, used as a meeting place for the local electoral board, unless such person is (a) a law-enforcement officer or a retired law-enforcement officer qualified pursuant to subsection C of § 18.2-308.016; (b) occupying his own private property that falls within 100 feet of the building used as a meeting place; or (c) an armed security officer, licensed pursuant to Article 4 (§ 9.1-138 et seq.) of Chapter 1 of Title 9.1, whose employment or performance of his duties occurs within 100 feet of any building, or part thereof, used as such a meeting place.

§ 24.2-701.1. Absentee voting in person.

A. Absentee voting in person shall be available on the forty-fifth day prior to any election and shall continue until 5:00 p.m. on the Saturday immediately preceding the election. In the case of a special election, excluding for federal offices, if time is insufficient between the issuance of the writ calling for the special election and the date of the special election, absentee voting in person shall be available as soon as possible after the issuance of the writ.

Any registered voter offering to vote absentee in person shall provide his name and his residence address in the county or city in which he is offering to vote. After verifying that the voter is a registered voter of that county or city, the general registrar shall enroll the voter's name and address on the absentee voter applicant list maintained pursuant to § 24.2-706.

Except as provided in subsection F, a registered voter voting by absentee ballot in person shall provide one of the forms of identification specified in subsection B of § 24.2-643. If he does not show one of the forms of identification specified in subsection B of § 24.2-643, he shall be allowed to vote after signing a statement, subject to felony penalties for false statements pursuant to § 24.2-1016, that he is the named registered voter he claims to be. A voter who requires assistance in voting by reason of a physical disability or an inability to read or write, and who requests assistance pursuant to § 24.2-649, may be assisted in preparation of this statement in accordance with that section. The provisions of § 24.2-649 regarding voters who are unable to sign shall be followed when assisting a voter in

completing this statement. A voter who does not show one of the forms of identification specified in this subsection or does not sign this statement shall be offered a provisional ballot under the provisions of § 24.2-653. The State Board shall provide instructions to the general registrar for the handling and counting of such provisional ballots pursuant to § 24.2-653.01 and this section.

B. Absentee voting in person shall be available during regular business hours. The electoral board of each county and city shall provide for absentee voting in person in the office of the general registrar or a voter satellite office established pursuant to § 24.2-701.2. *The provisions of §§ 24.2-604, 24.2-604.4, 24.2-605, 24.2-606, and 24.2-607 prohibiting certain conduct or activities in and around a polling place shall apply to such offices whenever absentee voting in person is available.*

For purposes of this chapter, such offices shall be open to the public a minimum of eight hours between the hours of 8:00 a.m. and 5:00 p.m. on the first and second Saturday immediately preceding all elections. The electoral board or general registrar may provide for absentee voting in person in such offices on Sundays. Any applicant who is in line to cast his ballot when the office of the general registrar or voter satellite office closes shall be permitted to cast his absentee ballot that day.

C. The general registrar may provide for the casting of absentee ballots in person pursuant to this section on voting systems. The Department shall prescribe the procedures for use of voting systems. The procedures shall provide for absentee voting in person on voting systems that have been certified and are currently approved by the State Board. The procedures shall be applicable and uniformly applied by the Department to all localities using comparable voting systems.

D. At least two officers of election shall be present during all hours that absentee voting in person is available and shall represent the two major political parties, except in the case of a party primary, when they may represent the party conducting the primary. However, such requirement shall not apply when (i) voting systems that are being used pursuant to subsection C are located in the office of the general registrar or voter satellite office and (ii) the general registrar or a deputy registrar is present.

E. The Department shall include absentee ballots voted in person in its instructions for the preparation, maintenance, and reporting of ballots, pollbooks, records, and returns.

F. This subsection shall apply in the case of any individual who is required by subparagraph (b) of 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time he votes in a federal election in the state. At such election, such individual shall present (i) a current and valid photo identification or (ii) a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and address of the voter. Such individual who desires to vote in person but who does not show one of the forms of identification specified in this subsection shall be offered a provisional ballot under the provisions of § 24.2-653. The identification requirements of subsection B of § 24.2-643 and subsection A of § 24.2-653 shall not apply to such voter at such election. The Department of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to § 24.2-653.01 and this section.

§ 24.2-707.1. Drop-off locations for return of absentee ballots.

A. The general registrar of each county or city shall establish at the office of the general registrar and each voter satellite office in operation for an election a drop-off location for the purpose of allowing the deposit of completed absentee ballots for such election. On the day of the election, there shall also be a drop-off location at each polling place in operation for the election. The general registrar may establish additional drop-off locations within the county or city as he deems necessary. All drop-off locations shall be accessible; be on public property, unless located at a polling place; and otherwise comply with any criteria for drop-off locations set by the Department. *The provisions of §§ 24.2-604, 24.2-604.4, 24.2-605, 24.2-606, and 24.2-607 prohibiting certain conduct or activities in and around a polling place shall apply to drop-off locations.*

B. The Department shall set standards for the establishment and operation of drop-off locations, including necessary security requirements. The Department shall submit such standards annually by October 1 to the Chairmen of the House and Senate Committees on Privileges and Elections, the Senate Committee on Finance and Appropriations, and the House Committee on Appropriations.

C. Not later than 55 days prior to any election, the general registrar shall post notice of the sites of the drop-off locations in the locality in the office of the general registrar and on the official website of the county or city.
