313 use tax returns with the Tax Commissioner, break down their shipments into the Commonwealth by  
314 counties and cities so as to show the county or city of destination. If, however, the out-of-state dealer is  
315 unable accurately to assign any shipment to a particular county or city, the local use tax on the tangible  
316 personal property involved shall be remitted to the Commonwealth by such dealer without attempting to  
317 assign the shipment to any county or city.

319 of § 58.1-605.1. The Comptroller shall distribute the revenue to the qualifying locality.

342 "food" defined in the Food Stamp Act of 1977, 7 U.S.C. § 2012, as amended, and federal regulations  
343 adopted pursuant to that Act, except it shall not include seeds and plants which produce food for human  
344 consumption. For the purpose of this section, "food purchased for human consumption" shall not include  
345 food sold by any retail establishment where the gross receipts derived from the sale of food prepared by  
346 such retail establishment for immediate consumption on or off the premises of the retail establishment  
347 constitutes more than 80 percent of the total gross receipts of that retail establishment, including but not  
348 limited to motor fuel purchases, regardless of whether such prepared food is consumed on the premises  
349 of that retail establishment. For purposes of this section, "retail establishment" means each place of  
350 business for which any "dealer," as defined in § 58.1-612, is required to apply for and receive a  
351 certificate of registration pursuant to § 58.1-613.

352 2. As used in this section, "essential personal hygiene products" means (i) nondurable incontinence  
353 products such as diapers, disposable undergarments, pads, and bed sheets and (ii) menstrual cups and  
354 pads, pantyliners, sanitary napkins, tampons, and other products used to absorb or contain menstrual  
355 flow. "Essential personal hygiene products" does not include any item that is otherwise exempt pursuant  
356 to this chapter.

357 **§ 58.1-638. Disposition of state sales and use tax revenue.**

358 A. The Comptroller shall designate a specific revenue code number for all the state sales and use tax  
359 revenue collected under the preceding sections of this chapter.

360 The sales and use tax revenue generated by the one-half percent sales and use tax increase enacted  
361 by the 1986 Special Session of the General Assembly shall be paid, in the manner hereinafter provided  
362 in this section, to the Commonwealth Transportation Fund established pursuant to § 33.2-1524. The  
363 Fund's share of such net revenue shall be computed as an estimate of the net revenue to be received into  
364 the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue  
365 received in the preceding month. All payments shall be made to the Fund on the last day of each  
366 month.

B. The sales and use tax revenue generated by a one percent sales and use tax shall be distributed among the counties and cities of the Commonwealth in the manner provided in subsections C and D.

C. The localities' share of the net revenue distributable under this section among the counties and cities shall be apportioned by the Comptroller and distributed among them by warrants of the Comptroller drawn on the Treasurer of Virginia as soon as practicable after the close of each month during which the net revenue was received into the state treasury. The distribution of the localities' share of such net revenue shall be computed with respect to the net revenue received into the state treasury during each month, and such distribution shall be made as soon as practicable after the close of each such month.

D. The net revenue so distributable among the counties and cities shall be apportioned and distributed upon the basis of the latest yearly estimate of the population of cities and counties ages five to 19, provided by the Weldon Cooper Center for Public Service of the University of Virginia. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for persons who are domiciled in orphanages or charitable institutions or who are dependents living on any federal military or naval reservation or other federal property within the school division in which the institutions or federal military or naval reservation or other federal property is located. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for members of the military services who are under 20 years of age within the school division in which the parents or guardians of such persons legally reside. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for individuals receiving services in state hospitals, state training centers, or mental health facilities, persons who are confined in state or federal correctional institutions, or persons who attend the Virginia School for the Deaf and the Blind within the school division in which the parents or guardians of such persons legally reside. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for persons who attend institutions of higher education within the school division in which the student's parents or guardians legally reside. To such estimate, the Department of Education shall add the population of students with disabilities, ages two through four and 20 through 21, as provided to the Department of Education by school divisions. The revenue so apportionable and distributable is hereby appropriated to the several counties and cities for maintenance, operation, capital outlays, debt and interest payments, or other expenses incurred in the operation of the public schools, which shall be considered as funds raised from local resources. In any county, however, wherein is situated any incorporated town constituting a school division, the county treasurer shall pay into the town treasury for maintenance, operation, capital outlays, debt and interest payments, or other expenses incurred in the operation of the public schools, the proper proportionate amount received by him in the ratio that the school population of such town bears to the school population of the entire county. If the school population of any city or of any town constituting a school division is increased by the annexation of territory since the last estimate of school population provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this section, be added to the school population of such city or town as shown by the last such estimate and a proper reduction made in the school population of the county or counties from which the annexed territory was acquired.

E. Beginning July 1, 2000, of the remaining sales and use tax revenue, the revenue generated by a two percent sales and use tax, up to an annual amount of \$13 million, collected from the sales of hunting equipment, auxiliary hunting equipment, fishing equipment, auxiliary fishing equipment, wildlife-watching equipment, and auxiliary wildlife-watching equipment in Virginia, as estimated by the most recent U.S. Department of the Interior, Fish and Wildlife Service and U.S. Department of Commerce, Bureau of the Census National Survey of Fishing, Hunting, and Wildlife-Associated Recreation, shall be paid into the Game Protection Fund established under § 29.1-101 and shall be used, in part, to defray the cost of law enforcement. Not later than 30 days after the close of each quarter, the Comptroller shall transfer to the Game Protection Fund the appropriate amount of collections to be dedicated to such Fund. At any time that the balance in the Capital Improvement Fund, established under § 29.1-101.01, is equal to or in excess of \$35 million, any portion of sales and use tax revenues that would have been transferred to the Game Protection Fund, established under § 29.1-101, in excess of the net operating expenses of the Board, after deduction of other amounts which accrue to the Board and are set aside for the Game Protection Fund, shall remain in the general fund until such time as the balance in the Capital Improvement Fund is less than \$35 million.

F. 1. Of the net revenue generated from the one-half percent increase in the rate of the state sales and use tax effective August 1, 2004, pursuant to enactments of the 2004 Special Session I of the General Assembly, the Comptroller shall transfer from the general fund of the state treasury to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund established under § 58.1-638.1 an amount equivalent to one-half of the net revenue generated from such one-half percent

increase as provided in this subdivision. The transfers to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund under this subdivision shall be for one-half of the net revenue generated (and collected in the succeeding month) from such one-half percent increase for the month of August 2004 and for each month thereafter.

2. Beginning July 1, 2013, of the remaining sales and use tax revenue, an amount equal to the revenue generated by a 0.125 percent sales and use tax shall be distributed to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund established under § 58.1-638.1, and be used for the state's share of Standards of Quality basic aid payments.

3. For the purposes of the Comptroller making the required transfers under ~~subdivision~~ subdivisions 1 and 2, the Tax Commissioner shall make a written certification to the Comptroller no later than the twenty-fifth of each month certifying the sales and use tax revenues generated in the preceding month. Within three calendar days of receiving such certification, the Comptroller shall make the required transfers to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund.

G. The Commonwealth Transportation Fund's share of the net revenue distributable under this subsection shall be computed as an estimate of the net revenue to be received into the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the Fund on the last day of each month.

H. 1. *Beginning July 1, 2024, of the remaining sales and use tax revenue, an amount equal to the revenue that would have been distributed if the tax imposed by §§ 58.1-605 and 58.1-606 continued to be imposed on food purchased for human consumption and essential personal hygiene products shall be distributed to cities and counties as a supplemental school payment and credited to the account of each city and county based on the distribution set forth in subdivision 2 and according to the procedures of subsection C.*

2. *Such supplemental school payment shall be distributed (i) beginning July 1, 2024, but before July 1, 2026, based upon each city's and county's estimated average share of monthly distributions pursuant to §§ 58.1-605 and 58.1-606 attributable to sales of food purchased for human consumption and essential personal hygiene products, as such terms are defined in § 58.1-611.1, between February 2022 and December 2023 and (ii) beginning July 1, 2026, based upon each city's and county's pro rata share of collections pursuant to §§ 58.1-605 and 58.1-606.*

3. *Beginning October 1, 2027, the Department shall make an annual review of the distributions under this subsection made beginning July 1, 2026, and make any necessary adjustments in accordance with the same procedures set forth in § 58.1-605.*
