Nothing in this subtitle shall be construed to (a) prevent any person described in clauses (i) through (iv) from obtaining a license pursuant to this subtitle, provided such person satisfies applicable licensing requirements; (b) prevent a licensee from acquiring hemp products from an industrial hemp processor in accordance with the provisions of Chapter 41.1 (§ 3.2-4112 et seq.) of Title 3.2; or (c) prevent a cultivation, processing, transporter, or retail licensee from operating on the licensed premises a pharmaceutical processing facility in accordance with Chapter 16 (§ 4.1-1600 et seq.) or an industrial hemp processing facility in accordance with Chapter 41.1 (§ 3.2-4112 et seq.) of Title 3.2.

**§ 4.1-701. To whom privileges conferred by licenses extend; liability for violations of law.**

The privilege of any licensee to cultivate, process, transport, sell, or test marijuana or marijuana products shall extend to such licensee and to all agents or employees of such licensee for the purpose of operating under such license. The licensee may be held liable for any violation of this subtitle or any Board regulation committed by such agents or employees in connection with their employment.

**§ 4.1-702. Separate license for each place of business; transfer or amendment; posting; expiration; civil penalties.**

A. Each license granted by the Board shall designate the place where the business of the licensee will be carried on. A separate license shall be required for each separate place of business.

B. No license shall be transferable from one location to another or from one person to another unless such transfer is conducted in accordance with Board regulations.

C. The Board may permit a licensee to amend the classification of an existing license without complying with the posting and publishing procedures required by § 4.1-1000 if the effect of the amendment is to reduce materially the privileges of an existing license.

D. Each license shall be posted in a location conspicuous to the public at the place where the licensee carries on the business for which the license is granted.

E. The privileges conferred by any license granted by the Board shall continue until the last day of the twelfth month next ensuing or the last day of the designated month and year of expiration, except the license may be sooner terminated for any cause for which the Board would be entitled to refuse to grant a license or by operation of law, voluntary surrender, or order of the Board.

The Board may grant licenses for one year or for multiple years, not to exceed three years, based on the fees set by the Board pursuant to § 4.1-1001. Qualification for a multiyear license shall be determined on the basis of criteria established by the Board. Fees for multiyear licenses shall not be refundable except as provided in § 4.1-1002. The Board may provide a discount for two-year or three-year licenses, not to exceed five percent of the applicable license fee, which extends for one fiscal year and shall not be altered or rescinded during such period.

F. The Board may permit a licensee who fails to pay:

1. The required license fee covering the continuation or reissuance of his license by midnight of the fifteenth day of the twelfth month or of the designated month of expiration, whichever is applicable, to pay the fee in lieu of posting and publishing notice and reapplying, provided payment of the fee is made within 30 days following that date and is accompanied by a civil penalty of \$25 or 10 percent of such fee, whichever is greater; and

2. The fee and civil penalty pursuant to subdivision 1 to pay the fee in lieu of posting and publishing notice and reapplying, provided payment of the fee is made within 45 days following the 30 days specified in subdivision 1 and is accompanied by a civil penalty of \$100 or 25 percent of such fee, whichever is greater.

Such civil penalties collected by the Board shall be deposited in accordance with § 4.1-614.

**§ 4.1-703. Records of licensees; inspection of records and places of business.**

B. Every licensed retail marijuana store shall keep complete, accurate, and separate records in

accordance with Board regulations of all purchases of marijuana products, the prices charged such licensee therefor, and the names and addresses of the persons from whom purchased. Every licensed retail marijuana store shall also preserve all invoices showing its purchases for a period as specified by Board regulations. The licensee shall also keep an accurate account of daily sales, showing quantities of marijuana products sold and the total price charged by it therefor. Except as otherwise provided in subsections C and D, such account need not give the names or addresses of the purchasers thereof, except as may be required by Board regulation.

Notwithstanding the provisions of subsection D, electronic records of licensed retail marijuana stores may be stored off site, provided that such records are readily retrievable and available for electronic inspection by the Board or its special agents at the licensed premises. However, in the case that such electronic records are not readily available for electronic inspection on the licensed premises, the licensee may obtain Board approval, for good cause shown, to permit the licensee to provide the records to a special agent of the Board within three business days or less, as determined by the Board, after a request is made to inspect the records.

C. Every licensed marijuana testing facility shall keep records of the names and addresses of all licensees or persons who submit marijuana or marijuana products to the marijuana testing facility.

D. The Board and its special agents shall be allowed free access during reasonable hours to every place in the Commonwealth and to the premises of every licensee or for the purpose of examining and inspecting such place and all records, invoices, and accounts therein.

For the purposes of a Board inspection of the records of any retail marijuana store licensees, "reasonable hours" means the hours between 9 a.m. and 5 p.m.; however, if the licensee generally is not open to the public substantially during the same hours, "reasonable hours" means the business hours when the licensee is open to the public. At any other time of day, if the retail marijuana store licensee's records are not available for inspection, the licensee shall provide the records to a special agent of the Board within 24 hours after a request is made to inspect the records.

Such temporary permit may be issued in advance, conditioned on the requirements in this subsection.

B. A temporary permit granted pursuant to subsection A may be revoked summarily by the Board for any cause set forth in § 4.1-900 without complying with subsection A of § 4.1-903. m. Has failed to take reasonable measures to prevent (i) the licensed premises, (ii) any premises immediately adjacent to the licensed premises that is owned or leased by the licensee, or (iii) any portion of public property immediately adjacent to the licensed premises from becoming a place where patrons of the establishment commit criminal violations of Article 1 (§ 18.2-30 et seq.), 2 (§ 18.2-38 et seq.), 2.1 (§ 18.2-46.1 et seq.), 2.2 (§ 18.2-46.4 et seq.), 3 (§ 18.2-47 et seq.), 4 (§ 18.2-51 et seq.), 5 (§ 18.2-58 et seq.), 6 (§ 18.2-59 et seq.), or 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2; Article 2 (§ 18.2-266 et seq.) of Chapter 7 of Title 18.2; Article 3 (§ 18.2-346 et seq.) or 5 (§ 18.2-372 et seq.) of Chapter 8 of Title 18.2; or Article 1 (§ 18.2-404 et seq.), 2 (§ 18.2-415), or 3 (§ 18.2-416 et seq.) of Chapter 9 of Title 18.2 and such violations lead to arrests that are so frequent and serious as to reasonably be deemed a continuing threat to the public safety;

n. Has failed to take reasonable measures to prevent an act of violence resulting in death or serious bodily injury, or a recurrence of such acts, from occurring on (i) the licensed premises, (ii) any premises immediately adjacent to the licensed premises that is owned or leased by the licensee, or (iii)

any portion of public property immediately adjacent to the licensed premises; or  
 o. Has been sanctioned by the Board pursuant to § 54.1-3316 and regulations promulgated by the Board for a violation pursuant to Chapter 16 (§ 4.1-1600 et seq.).

2. The place occupied by the licensee:

a. Does not conform to the requirements of the governing body of the county, city, or town in which such establishment is located, with respect to sanitation, health, construction, or equipment, or to any similar requirements established by the laws of the Commonwealth or by Board regulations;

b. Has been adjudicated a common nuisance under the provisions of this subtitle or § 18.2-258; or

c. Has become a meeting place or rendezvous for illegal gambling, illegal users of narcotics, drunks, prostitutes, pimps, panderers, or habitual law violators or has become a place where illegal drugs are regularly used or distributed. The Board may consider the general reputation in the community of such establishment in addition to any other competent evidence in making such determination.

3. The licensee or any employee of the licensee discriminated against any member of the Armed Forces of the United States by prices charged or otherwise.

4. Any cause exists for which the Board would have been entitled to refuse to grant such license had the facts been known.

5. The licensee is delinquent for a period of 90 days or more in the payment of any taxes, or any penalties or interest related thereto, lawfully imposed by the locality where the licensed business is located, as certified by the treasurer, commissioner of the revenue, or finance director of such locality, unless (i) the outstanding amount is de minimis; (ii) the licensee has pending a bona fide application for correction or appeal with respect to such taxes, penalties, or interest; or (iii) the licensee has entered into a payment plan approved by the same locality to settle the outstanding liability.

6. The licensee has been convicted for a violation of 8 U.S.C. § 1324a(f), as amended, for actions of its agents or employees constituting a pattern or practice of employing unauthorized aliens on the licensed premises in the Commonwealth.

7. Any other cause authorized by this subtitle.

B. The Board shall promulgate regulations regarding suspension and revocation standards and protocols.

**§ 4.1-901. Summary suspension in emergency circumstances; grounds; notice and hearing.**

A. Notwithstanding any provisions to the contrary in Article 3 (§ 2.2-4018 et seq.) of the Administrative Process Act or § 4.1-806 or 4.1-903, the Board may summarily suspend any license or permit if it has reasonable cause to believe that an act of violence resulting in death or serious bodily injury, or a recurrence of such acts, has occurred on (i) the licensed premises, (ii) any premises immediately adjacent to the licensed premises that is owned or leased by the licensee, or (iii) any portion of public property immediately adjacent to the licensed premises, and the Board finds that there exists a continuing threat to public safety and that summary suspension of the license or permit is justified to protect the health, safety, or welfare of the public.

B. Prior to issuing an order of suspension pursuant to this section, special agents of the Board shall conduct an initial investigation and submit all findings to the Secretary of the Board within 48 hours of any such act of violence. If the Board determines suspension is warranted, it shall immediately notify the licensee of its intention to temporarily suspend his license pending the outcome of a formal investigation. Such temporary suspension shall remain effective for a minimum of 48 hours. After the 48-hour period, the licensee may petition the Board for a restricted license pending the results of the formal investigation and proceedings for disciplinary review. If the Board determines that a restricted license is warranted, the Board shall have discretion to impose appropriate restrictions based on the facts presented.

C. Upon a determination to temporarily suspend a license, the Board shall immediately commence a formal investigation. The formal investigation shall be completed within 10 days of its commencement and the findings reported immediately to the Secretary of the Board. If, following the formal investigation, the Secretary of the Board determines that suspension of the license is warranted, a hearing shall be held within five days of the completion of the formal investigation. A decision shall be rendered within 10 days of the conclusion of the hearing. If a decision is not rendered within 10 days of the conclusion of the hearing, the order of suspension shall be vacated and the license reinstated. Any appeal by the licensee shall be filed within 10 days of the decision and heard by the Board within 20 days of the decision. The Board shall render a decision on the appeal within 10 days of the conclusion of the appeal hearing.

D. Service of any order of suspension issued pursuant to this section shall be made by a special agent of the Board in person and by certified mail to the licensee. The order of suspension shall take effect immediately upon service.

E. This section shall not apply to temporary permits granted under § 4.1-806.

**§ 4.1-902. Grounds for which Board shall suspend or revoke licenses.**

*The Board shall suspend or revoke any license if it finds that:*

*1. A licensee has violated or permitted the violation of § 18.2-331, relating to the illegal possession of a gambling device, upon the premises for which the Board has granted a retail marijuana store license.*

*2. A licensee has defrauded or attempted to defraud the Board, or any federal, state, or local government or governmental agency or authority, by making or filing any report, document, or tax return required by statute or regulation that is fraudulent or contains a willful or knowing false representation of a material fact or has willfully deceived or attempted to deceive the Board, or any federal, state, or local government or governmental agency or authority, by making or maintaining business records required by statute or regulation that are false or fraudulent.*

**§ 4.1-903. Suspension or revocation of licenses; notice and hearings; imposition of civil penalties.**

*A. Before the Board may suspend or revoke any license, reasonable notice of such proposed or contemplated action shall be given to the licensee in accordance with the provisions of § 2.2-4020 of the Administrative Process Act (§ 2.2-4000 et seq.).*

*Notwithstanding the provisions of § 2.2-4022, the Board shall, upon written request by the licensee, permit the licensee to inspect and copy or photograph all (i) written or recorded statements made by the licensee or copies thereof or the substance of any oral statements made by the licensee or a previous or present employee of the licensee to any law-enforcement officer, the existence of which is known by the Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this subtitle against the licensee, and (ii) designated books, papers, documents, tangible objects, buildings, or places, or copies or portions thereof, that are within the possession, custody, or control of the Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this subtitle against the licensee. In addition, any subpoena for the production of documents issued to any person at the request of the licensee or the Board pursuant to § 4.1-604 shall provide for the production of the documents sought within 10 working days, notwithstanding anything to the contrary in § 4.1-604.*

*If the Board fails to provide for inspection or copying under this section for the licensee after a written request, the Board shall be prohibited from introducing into evidence any items the licensee would have lawfully been entitled to inspect or copy under this section.*

*The action of the Board in suspending or revoking any license or in imposing a civil penalty shall be subject to judicial review in accordance with the Administrative Process Act (§ 2.2-4000 et seq.). Such review shall extend to the entire evidential record of the proceedings provided by the Board in accordance with the Administrative Process Act. An appeal shall lie to the Court of Appeals from any order of the court. Notwithstanding § 8.01-676.1, the final judgment or order of the circuit court shall not be suspended, stayed, or modified by such circuit court pending appeal to the Court of Appeals. Neither mandamus nor injunction shall lie in any such case.*

*B. In suspending any license, the Board may impose, as a condition precedent to the removal of such suspension or any portion thereof, a requirement that the licensee pay the cost incurred by the Board in investigating the licensee and in holding the proceeding resulting in such suspension, or it may impose and collect such civil penalties as it deems appropriate. In no event shall the Board impose a civil penalty exceeding \$2,000 for the first violation occurring within five years immediately preceding the date of the violation or \$5,000 for the second or subsequent violation occurring within five years immediately preceding the date of the second or subsequent violation. However, if the violation involved selling marijuana or marijuana products to a person prohibited from purchasing marijuana or marijuana products or allowing consumption of marijuana or marijuana products, the Board may impose a civil penalty not to exceed \$3,000 for the first violation occurring within five years immediately preceding the date of the violation and \$6,000 for a second or subsequent violation occurring within five years immediately preceding the date of the second or subsequent violation in lieu of such suspension or any portion thereof, or both. The Board may also impose a requirement that the licensee pay for the cost incurred by the Board not exceeding \$25,000 in investigating the licensee and in holding the proceeding resulting in the violation in addition to any suspension or civil penalty incurred.*

*C. Following notice to (i) the licensee of a hearing that may result in the suspension or revocation of his license or (ii) the applicant of a hearing to resolve a contested application, the Board may accept a consent agreement as authorized in § 4.1-604. The notice shall advise the licensee or applicant of the option to (a) admit the alleged violation or the validity of the objection; (b) waive any right to a hearing or an appeal under the Administrative Process Act (§ 2.2-4000 et seq.); and (c) (1) accept the proposed restrictions for operating under the license, (2) accept the period of suspension of the licensed privileges within the Board's parameters, (3) pay a civil penalty in lieu of the period of suspension, or any portion of the suspension as applicable, or (4) proceed to a hearing.*

*D. The Board shall, by regulation or written order:*

*1. Designate those (i) objections to an application or (ii) alleged violations that will proceed to an*

initial hearing;

2. Designate the violations for which a waiver of a hearing and payment of a civil charge in lieu of suspension may be accepted for a first offense occurring within three years immediately preceding the date of the violation;

3. Provide for a reduction in the length of any suspension and a reduction in the amount of any civil penalty for any retail marijuana store licensee where the licensee can demonstrate that it provided to its employees marijuana seller training certified in advance by the Board;

4. Establish a schedule of penalties for such offenses, prescribing the appropriate suspension of a license and the civil charge acceptable in lieu of such suspension; and

5. Establish a schedule of offenses for which any penalty may be waived upon a showing that the licensee has had no prior violations within five years immediately preceding the date of the violation. No waiver shall be granted by the Board, however, for a licensee's willful and knowing violation of this subtitle or Board regulations.

**§ 4.1-904. Suspension or revocation; disposition of marijuana or marijuana products on hand; termination.**

A. Marijuana or marijuana products owned by or in the possession of or for sale by any licensee at the time the license of such person is suspended or revoked may be disposed of as follows:

1. Sold to persons in the Commonwealth licensed to sell such marijuana or marijuana products upon permits granted by the Board in accordance with § 4.1-806 and conditions specified by the Board; or

2. Destroyed by the Board or its designee.

B. All marijuana or marijuana products owned by or in the possession of any person whose license is suspended or revoked shall be disposed of by such person in accordance with the provisions of this section within 60 days from the date of such suspension or revocation.

C. Marijuana or marijuana products owned by or in the possession of or for sale by persons whose licenses have been terminated other than by suspension or revocation may be disposed of in accordance with subsection A within such time as the Board deems proper. Such period shall not be less than 60 days.

D. All marijuana or marijuana products owned by or remaining in the possession of any person described in subsection A or C after the expiration of such period shall be deemed contraband and forfeited to the Commonwealth in accordance with the provisions of § 4.1-1303.

#### CHAPTER 10.

#### ADMINISTRATION OF LICENSES; APPLICATIONS FOR LICENSES; FEES; TAXES.

**§ 4.1-1000. Applications for licenses; publication; notice to localities; fees; permits.**

A. Every person intending to apply for any license authorized by this subtitle shall file with the Board an application on forms provided by the Board and a statement in writing by the applicant swearing and affirming that all of the information contained therein is true.

B. Such applications, including applications for renewal, shall include any information necessary for the Board to determine whether the applicant meets or continues to meet the criteria set forth in subdivision B 13 of § 4.1-606.

C. Applicants for licenses for establishments that are otherwise required to obtain an inspection by the Department of Agriculture and Consumer Services shall provide proof of inspection or proof of a pending request for such inspection. If the applicant provides proof of inspection or proof of a pending request for an inspection, a license may be issued to the applicant. If a license is issued on the basis of a pending application or inspection, such license shall authorize the licensee to purchase marijuana, marijuana products, immature marijuana plants, or marijuana seeds in accordance with the provisions of this subtitle; however, the licensee shall not sell marijuana, marijuana products, immature marijuana plants, or marijuana seeds until an inspection is completed.

D. Each applicant for a license under the provisions of this subtitle shall post a notice of his application with the Board on the front door of the building, place, or room where he proposes to engage in such business for no more than 30 days and not less than 10 days. Such notice shall be of a size and contain such information as required by the Board, including a statement that any objections shall be submitted to the Board not more than 30 days following initial posting of the notice required pursuant to this subsection.

The applicant shall also cause notice to be published at least once a week for two consecutive weeks in a newspaper published in or having a general circulation in the county, city, or town wherein such applicant proposes to engage in such business. Such notice shall contain such information as required by the Board, including a statement that any objections to the issuance of the license be submitted to the Board not later than 30 days from the date of the initial newspaper publication.

E. The Board shall conduct a background investigation on each license applicant, which shall include a criminal history records search and may include a fingerprint-based national criminal history records search and a requirement for the provision of personal descriptive information to be forwarded

through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record information regarding such applicant. The Central Criminal Records Exchange shall forward the results of the criminal history background check to the Board or its designee, which shall be a governmental entity.

However, the Board may waive, for good cause shown, the requirement for a criminal history records search and completed personal data form for officers, directors, nonmanaging members, or limited partners of any applicant corporation, limited liability company, or limited partnership. In considering criminal history record information, the Board shall not disqualify an applicant because of a past conviction for a marijuana-related offense.

F. The Board shall notify the local governing body of each license application through the town manager, city manager, county administrator, or other designee of the locality. Local governing bodies shall submit objections to the granting of a license within 30 days of the filing of the application.

G. Each applicant shall pay the required application fee at the time the application is filed. The license application fee shall be determined by the Board and shall be in addition to the actual cost charged to the Department of State Police by the Federal Bureau of Investigation or the Central Criminal Records Exchange for processing any fingerprints through the Federal Bureau of Investigation or the Central Criminal Records Exchange for each criminal history records search required by the Board. Application fees shall be in addition to the state license fee required pursuant to § 4.1-1001 and shall not be refunded.

H. Subsection A shall not apply to the continuance of licenses granted under this subtitle; however, all licensees shall file and maintain with the Board a current, accurate record of the information required by the Board pursuant to subsection A and notify the Board of any changes to such information in accordance with Board regulations.

I. Every application for a permit granted pursuant to § 4.1-806 shall be on a form provided by the Board. Such permits shall confer upon their holders no authority to make solicitations in the Commonwealth as otherwise provided by law.

The fee for a temporary permit shall be one-twelfth of the combined fees required by this section for applicable licenses to sell marijuana or marijuana products computed to the nearest cent and multiplied by the number of months for which the permit is granted.

J. The Board shall have the authority to increase state license fees. The Board shall set the amount of such increases on the basis of the consumer price index and shall not increase fees more than once every three years. Prior to implementing any state license fee increase, the Board shall provide notice to all licensees and the general public of (i) the Board's intent to impose a fee increase and (ii) the new fee that would be required for any license affected by the Board's proposed fee increases. Such notice shall be provided on or before November 1 in any year in which the Board has decided to increase state license fees, and such increases shall become effective July 1 of the following year.

#### **§ 4.1-1001. Fees for state licenses.**

A. Annual fees on state licenses shall be established by the Board in an amount sufficient to cover the costs of regulating the marijuana establishment.

B. The fee on each license granted or reissued for a period other than 12, 24, or 36 months shall be equal to one-twelfth of the fees required by subsection A computed to the nearest cent, multiplied by the number of months in the license period, and then increased by five percent. Such fee shall not be refundable, except as provided in § 4.1-1002.

C. Nothing in this subtitle shall exempt any licensee from any state merchants' license or state restaurant license or any other state tax. Every licensee, in addition to the taxes and fees imposed by this subtitle, shall be liable to state merchants' license taxation, state restaurant license taxation, and other state taxation.

D. In addition to the fees set forth in this section, a fee of \$5 may be imposed on any license purchased in person from the Board if such license is available for purchase online.

#### **§ 4.1-1002. Refund of state license fee.**

A. The Board may (i) correct erroneous assessments made by it against any person, (ii) refund any amounts collected through erroneous assessments or collected as fees on licenses applications that are subsequently refused or withdrawn, and (iii) allow credit for any license fees paid for any license that is subsequently merged or changed into another license during the same license period. No refund shall be made of any such amount, however, unless made within three years from the date of collection of the same.

B. In any case where a licensee has changed its name or form of organization during a license period without any change being made in its ownership, and because of such change is required to pay an additional license fee for such period, the Board shall refund to such licensee the amount of such fee so paid in excess of the required license fee for such period.

C. The Board shall make refunds, prorated according to a schedule of its prescription, to licensees

of state license fees paid pursuant to subsection A of § 4.1-1001 if the place of business designated in the license is destroyed by an act of God, including but not limited to fire, earthquake, hurricane, storm, or similar natural disaster or phenomenon.

D. Any amount required to be refunded under this section shall be paid by the State Treasurer out of moneys appropriated to the Board and in the manner prescribed in § 4.1-614.

**§ 4.1-1003. Marijuana taxes; exceptions.**

A. A tax of eight percent is levied on the sale in the Commonwealth of any marijuana, marijuana products, or marijuana paraphernalia. Subject to the provisions of subsection C, the tax shall be in addition to any tax imposed under the Virginia Retail Sales and Use Tax Act (§ 58.1-600 et seq.) or any other provision of federal, state, or local law. The tax shall not apply to any sale:

1. From a marijuana establishment to another marijuana establishment.
2. Of cannabis products for treatment under the provisions of Chapter 16 (§ 4.1-1600 et seq.).
3. Of industrial hemp by a grower, processor, or handler under the provisions of Chapter 41.1 (§ 3.2-4112 et seq.) of Title 3.2.
4. Of a hemp product.

B. Any locality may by ordinance levy a 2.5 percent tax on any sale taxable under subsection A. Subject to subsection C, the tax shall be in addition to any local sales tax imposed under the Virginia Retail Sales and Use Tax Act (§ 58.1-600 et seq.), any food and beverage tax imposed under Article 7.1 (§ 58.1-3833 et seq.) of Chapter 38 of Title 58.1, and any excise tax imposed on meals under § 58.1-3840. Other than the taxes authorized and identified in this subsection, a locality shall not impose any other tax on a sale taxable under subsection A. Nothing in this subsection shall be construed to (i) prohibit a locality from imposing any tax authorized by law on a person or property regulated under this subtitle or (ii) limit the authority of any locality to impose a license or privilege tax or fee on a business engaged in whole or in part in sales taxable under this subsection A if such tax or fee is (a) based on an annual or per-event flat fee authorized by law or (b) is an annual license or privilege tax authorized by law and such tax includes sales or receipts taxable under subsection A in its taxable measure.

If a locality imposes a tax under this subsection, such tax shall be irrevocable. If a town imposes a tax under this subsection, any tax imposed by its surrounding county under this subsection shall not apply within the limits of the town.

Any locality that enacts an ordinance pursuant to this subsection shall, within 30 days, notify the Authority and any retail marijuana store in such locality of the ordinance's enactment. The ordinance shall take effect on the first day of the second month following its enactment.

C. Any tax imposed under the Virginia Retail Sales and Use Tax Act (§ 58.1-600 et seq.) on a sale taxable under subsection A shall be limited to a 1.125 percent tax which shall be distributed as follows: (i) the revenue from the tax at the rate of one percent shall be distributed as provided in subsections B, C, and D of § 58.1-638 and (ii) the revenue from the tax at the rate of 0.125 percent shall be distributed as provided in subdivision F 2 of § 58.1-638. No other tax shall be levied pursuant to the Virginia Retail Sales and Use Tax Act (§ 58.1-600 et seq.) on a sale taxable under subsection A.

D. All revenues remitted to the Authority under this subsection shall be disposed of as provided in § 4.1-614.

**§ 4.1-1004. Tax returns and payments; commissions; interest.**

A. For any sale taxable under § 4.1-1003, the seller shall be liable for collecting any taxes due. All taxes collected by a seller shall be deemed to be held in trust for the Commonwealth. The buyer shall not be liable for collecting or remitting the taxes or filing a return.

B. On or before the tenth day of each month, any person liable for a tax due under § 4.1-1003 shall file a return under oath with the Authority and pay any taxes due. Upon written application by a person filing a return, the Authority may, if it determines good cause exists, grant an extension to the end of the calendar month in which the tax is due, or for a period not exceeding 30 days. Any extension shall toll the accrual of any interest or penalties under § 4.1-1007.

C. The Authority may accept payment by any commercially acceptable means, including cash, checks, credit cards, debit cards, and electronic funds transfers, for any taxes, interest, or penalties due under this subtitle. The Board may assess a service charge for the use of a credit or debit card.

D. Upon request, the Authority may collect and maintain a record of a person's credit card, debit card, or automated clearinghouse transfer information and use such information for future payments of taxes, interest, or penalties due under this subtitle. The Authority may assess a service charge for any payments made under this subsection. The Authority may procure the services of a third-party vendor for the secure storage of information collected pursuant to this subsection.

E. If any person liable for tax under § 4.1-1003 sells out his business or stock of goods or quits the business, such person shall make a final return and payment within 15 days after the date of selling or quitting the business. Such person's successors or assigns, if any, shall withhold sufficient of the

purchase money to cover the amount of such taxes, interest, and penalties due and unpaid until such former owner produces a receipt from the Authority showing payment or a certificate stating that no taxes, penalties, or interest are due. If the buyer of a business or stock of goods fails to withhold the purchase money as provided in this subsection, such buyer shall be liable for the payment of the taxes, interest, and penalties due and unpaid on account of the operation of the business by any former owner.

F. When any person fails to timely pay the full amount of tax due under § 4.1-1003, interest at a rate determined in accordance with § 58.1-15 shall accrue on the tax until it is paid. Any taxes due under § 4.1-1003 shall, if applicable, be subject to penalties as provided in §§ 4.1-1205 and 4.1-1206.

**§ 4.1-1005. Bonds.**

The Authority may, when deemed necessary and advisable to do so in order to secure the collection of the taxes levied under § 4.1-1003, require any person subject to such tax to file a bond, with such surety as it determines is necessary to secure the payment of any tax, penalty, or interest due or that may become due from such person. In lieu of such bond, securities approved by the Authority may be deposited with the State Treasurer, which securities shall be kept in the custody of the State Treasurer, and shall be sold by the State Treasurer at the request of the Authority at public or private sale if it becomes necessary to do so in order to recover any tax, interest, or penalty due the Commonwealth. Upon any such sale, the surplus, if any, above the amounts due shall be returned to the person who deposited the securities.

**§ 4.1-1006. Refunds.**

A. Whenever it is proved to the satisfaction of the Authority that any taxes levied pursuant to § 4.1-1003 have been paid and that the taxable items were or are (i) damaged, destroyed, or otherwise deemed to be unsalable by reason of fire or any other providential cause before sale to the consumer; (ii) destroyed voluntarily, after notice to and approval by the Authority of such destruction, because the taxable items were defective; or (iii) destroyed in any manner while in the possession of a common, private, or contract carrier, the Authority shall certify such facts to the Comptroller for approval of a refund payment from the state treasury to such extent as may be proper.

B. Whenever it is proved to the satisfaction of the Authority that any person has purchased taxable items that have been sold by such person in such manner as to be exempt from the tax, the Authority shall certify such facts to the Comptroller for approval of a refund payment from the state treasury to such extent as may be proper.

C. In the event purchases are returned to the seller by the buyer after a tax imposed under § 4.1-1003 has been collected or charged to the account of the buyer, the seller shall be entitled to a refund of the amount of tax so collected or charged in the manner prescribed by the Authority. The amount of tax so refunded to the seller shall not, however, include the tax paid upon any amount retained by the seller after such return of merchandise. In case the tax has not been remitted by the seller, the seller may deduct the same in submitting his return.

**§ 4.1-1007. Statute of limitations; civil remedies for collecting past-due taxes, interest, and penalties.**

A. The taxes imposed under § 4.1-1003 shall be assessed within three years from the date on which such taxes became due and payable. In the case of a false or fraudulent return with intent to defraud the Commonwealth, or a failure to file a return, the taxes may be assessed, or a proceeding in court for the collection of such taxes may be begun without assessment, at any time within six years from such date. The Authority shall not examine any person's records beyond the three-year period of limitations unless it has reasonable evidence of fraud or reasonable cause to believe that such person was required by law to file a return and failed to do so.

B. If any person fails to file a return as required by this section, or files a return that is false or fraudulent, the Authority may make an estimate for the taxable period of the taxable sales of such person and assess the tax, plus any applicable interest and penalties. The Authority shall give such person 10 days' notice requiring such person to provide any records as it may require relating to the business of such person for the taxable period. The Authority may require such person or the agents and employees of such person to give testimony or to answer interrogatories under oath administered by the Authority respecting taxable sales, the filing of the return, and any other relevant information. If any person fails to file a required return, refuses to provide required records, or refuses to answer interrogatories from the Authority, the Authority may make an estimated assessment based upon the information available to it and issue a memorandum of lien under subsection C for the collection of any taxes, interest, or penalties. The estimated assessment shall be deemed prima facie correct.

C. 1. If the Authority assesses taxes, interest, or penalties on a person and such person does not pay within 30 days after the due date, taking into account any extensions granted by the Authority, the Authority may file a memorandum of lien in the circuit court clerk's office of the county or city in which the person's place of business is located or in which the person resides. If the person has no place of business or residence within the Commonwealth, the memorandum may be filed in the Circuit Court of

the City of Richmond. A copy of the memorandum may also be filed in the clerk's office of all counties and cities in which the person owns real estate. Such memorandum shall be recorded in the judgment docket book and shall have the effect of a judgment in favor of the Commonwealth, to be enforced as provided in Article 19 (§ 8.01-196 et seq.) of Chapter 3 of Title 8.01, except that a writ of fieri facias may issue at any time after the memorandum is filed. The lien on real estate shall become effective at the time the memorandum is filed in the jurisdiction in which the real estate is located. No memorandum of lien shall be filed unless the person is first given 10 or more days' prior notice of intent to file a lien; however, in those instances where the Authority determines that the collection of any tax, penalties, or interest required to be paid pursuant to law will be jeopardized by the provision of such notice, notification may be provided to the person concurrent with the filing of the memorandum of lien. Such notice shall be given to the person at his last known address.

2. Recordation of a memorandum of lien under this subsection shall not affect a person's right to appeal under § 4.1-1008.

3. If any such bond is required and is not given, the defendant shall be committed to jail until it is given, or until he is discharged by the court, provided that he shall not be confined for a period longer than six months. If any such bond required by a court is not given during the term of the court by which conviction is had, it may be given before any judge or before the clerk of such court.

In any prosecution for violations of this subtitle, where a sealed container is labeled as containing marijuana or marijuana products, such labeling shall be prima facie evidence of the marijuana content of the container. Nothing shall preclude the introduction of other relevant evidence to establish the marijuana content of a container, whether sealed or not.

**§ 4.1-1309. No recovery for marijuana or marijuana products illegally sold.**

No action to recover the price of any marijuana or marijuana products sold in contravention of this subtitle may be maintained.

**§ 4.1-1403. Board to establish regulations for marijuana testing.**

The Board shall establish a testing program for marijuana and marijuana products. Except as otherwise provided in this subtitle or otherwise provided by law, the program shall require a licensee, prior to selling or distributing marijuana or a marijuana product to a consumer or to another licensee, to submit a representative sample of the marijuana or marijuana product, not to exceed 10 percent of the total harvest or batch, to a licensed marijuana testing facility for testing to ensure that the marijuana or marijuana product does not exceed the maximum level of allowable contamination for any contaminant that is injurious to health and for which testing is required and to ensure correct labeling. The Board shall adopt regulations (i) establishing a testing program pursuant to this section; (ii) establishing acceptable testing and research practices, including regulations relating to testing practices, methods, and standards; quality control analysis; equipment certification and calibration; marijuana testing facility recordkeeping, documentation, and business practices; disposal of used, unused, and waste marijuana and marijuana products; and reporting of test results; (iii) identifying the types of contaminants that are injurious to health for which marijuana and marijuana products shall be tested under this subtitle; and (iv) establishing the maximum level of allowable contamination for each contaminant.

D. If the results of a mandatory test conducted pursuant to this section indicate that the tested marijuana or marijuana product exceeds the maximum level of allowable tetrahydrocannabinol or contamination for any contaminant that is injurious to health and for which testing is required, the marijuana testing facility shall immediately quarantine, document, and properly destroy the marijuana or marijuana product and within seven days of completing the test shall notify the Board of the test results.

F. Licensees shall be required to destroy harvested batches of marijuana or batches of marijuana products whose testing samples indicate noncompliance with the health and safety standards required by this subtitle and the regulations adopted by the Board pursuant to this subtitle, unless remedial measures can bring the marijuana or marijuana product into compliance with such required health and safety standards.

The practitioner shall use his professional judgment to determine the manner and frequency of patient care and evaluation and may employ the use of telemedicine, provided that the use of telemedicine includes the delivery of patient care through real-time interactive audiovisual technology. No practitioner may issue a written certification while such practitioner is on the premises of a pharmaceutical processor or cannabis dispensing facility. A pharmaceutical processor shall not endorse or promote any practitioner who issues certifications to patients. If a practitioner determines it is consistent with the standard of care to dispense botanical cannabis to a minor, the written certification shall specifically authorize such dispensing. If not specifically included on the initial written certification, authorization for botanical cannabis may be communicated verbally or in writing to the pharmacist at the time of dispensing. A practitioner who issues written certifications shall not directly or indirectly accept, solicit, or receive anything of value from a pharmaceutical processor, cannabis dispensing facility, or any person associated with a pharmaceutical processor, cannabis dispensing facility, or provider of paraphernalia, excluding

C. No practitioner shall be prosecuted under *Chapter 11 (§ 4.1-1100 et seq.) of Title 4.1 or § 18.2-248 or 18.2-248.1* for the issuance of a certification for the use of cannabis products for the treatment or to alleviate the symptoms of a patient's diagnosed condition or disease pursuant to a written certification issued pursuant to subsection A. Nothing in this section shall preclude a practitioner's professional licensing board from sanctioning the practitioner for failing to properly evaluate or treat a patient's medical condition or otherwise violating the applicable standard of care for evaluating or treating medical conditions.

D. A practitioner who issues a written certification to a patient pursuant to this section (i) shall hold sufficient education and training to exercise appropriate professional judgment in the certification of patients; (ii) shall not offer a discount or any other thing of value to a patient or a patient's parent, guardian, or registered agent that is contingent on or encourages the person's decision to use a particular pharmaceutical processor or cannabis product; (iii) shall not issue a certification to himself or his family members, employees, or coworkers; (iv) shall not provide product samples containing cannabis other than those approved by the U.S. Food and Drug Administration; and (v) shall not accept compensation from a pharmaceutical processor or cannabis dispensing facility. A patient, or, if such patient is a minor or a vulnerable adult as defined in § 18.2-369, such patient's parent or legal guardian, may designate an individual to act as his registered agent for the purposes of receiving cannabis products pursuant to a valid written certification. Such designated individual shall register with the Board unless the individual's name listed on the patient's written certification. An individual may, on the basis of medical need and in the discretion of the patient's registered practitioner, be listed on the patient's written certification upon the patient's request. The Board may set a limit on the number of patients for whom any individual is authorized to act as a registered agent.

G. Upon delivery of a cannabis product by a pharmaceutical processor or cannabis dispensing facility to a designated caregiver facility, any employee or contractor of a designated caregiver facility who is licensed or registered by a health regulatory board and who is authorized to possess, distribute, or administer medications may accept delivery of the cannabis product on behalf of a patient or resident for subsequent delivery to the patient or resident and may assist in the administration of the cannabis product to the patient or resident as necessary.

H. Information obtained under the patient certification or agent registration process shall be confidential and shall not be subject to the disclosure provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.). However, reasonable access to registry information shall be provided to (i) the Chairmen of the House Committee for Courts of Justice and the Senate Committee on the Judiciary, (ii) state and federal agencies or local law enforcement for the purpose of investigating or prosecuting a specific individual for a specific violation of law, (iii) licensed practitioners or pharmacists, or their agents, for the purpose of providing patient care and drug therapy management and monitoring of drugs obtained by a patient, (iv) a pharmaceutical processor or cannabis dispensing facility involved in the treatment of a patient, or (v) a patient's registered agent, but only with respect to information related to such patient.

Such schedule shall not be construed or interpreted so as to limit the discretion of any trial judge trying individual cases at the time fixed for trial. The rule of the Supreme Court establishing the schedule shall be prominently posted in the place where the fines are paid. Fines and costs shall be paid in accordance with the provisions of this Code or any rules or regulations promulgated thereunder.

D. Fines imposed under local traffic infraction ordinances that do not parallel provisions of state law and fulfill the criteria set out in subsection A may be prepayable in the manner set forth in subsection B if such ordinances appear in a schedule entered by order of the local circuit courts. The chief judge of each circuit may establish a schedule of the fines, within the limits prescribed by local ordinances, to be imposed for prepayment of local ordinances designating each offense specifically. Upon the entry of such order it shall be forwarded within 10 days to the Supreme Court of Virginia by the clerk of the local circuit court. The schedule, which from time to time may be amended, supplemented or repealed, shall be uniform in its application throughout the circuit. Such schedule shall not be construed or interpreted so as to limit the discretion of any trial judge trying individual cases at the time fixed for trial. This schedule shall be prominently posted in the place where fines are paid. Fines and costs shall be paid in accordance with the provisions of this Code or any rules or regulations promulgated thereunder.

#### **§ 16.1-260. Intake; petition; investigation.**

A. All matters alleged to be within the jurisdiction of the court shall be commenced by the filing of a petition, except as provided in subsection H and in § 16.1-259. The form and content of the petition shall be as provided in § 16.1-262. No individual shall be required to obtain support services from the Department of Social Services prior to filing a petition seeking support for a child. Complaints, requests, and the processing of petitions to initiate a case shall be the responsibility of the intake officer. However, (i) the attorney for the Commonwealth of the city or county may file a petition on his own motion with the clerk; (ii) designated nonattorney employees of the Department of Social Services may complete, sign, and file petitions and motions relating to the establishment, modification, or enforcement of support on forms approved by the Supreme Court of Virginia with the clerk; (iii) designated nonattorney employees of a local department of social services may complete, sign, and file with the clerk, on forms approved by the Supreme Court of Virginia, petitions for foster care review, petitions for permanency planning hearings, petitions to establish paternity, motions to establish or modify

support, motions to amend or review an order, and motions for a rule to show cause; and (iv) any attorney may file petitions on behalf of his client with the clerk except petitions alleging that the subject of the petition is a child alleged to be in need of services, in need of supervision, or delinquent. Complaints alleging abuse or neglect of a child shall be referred initially to the local department of social services in accordance with the provisions of Chapter 15 (§ 63.2-1500 et seq.) of Title 63.2. Motions and other subsequent pleadings in a case shall be filed directly with the clerk. The intake officer or clerk with whom the petition or motion is filed shall inquire whether the petitioner is receiving child support services or public assistance. No individual who is receiving support services or public assistance shall be denied the right to file a petition or motion to establish, modify, or enforce an order for support of a child. If the petitioner is seeking or receiving child support services or public assistance, the clerk, upon issuance of process, shall forward a copy of the petition or motion, together with notice of the court date, to the Division of Child Support Enforcement. If a petitioner is seeking to establish child support, the intake officer shall provide the petitioner information on the possible availability of medical assistance through the Family Access to Medical Insurance Security (FAMIS) plan or other government-sponsored coverage through the Department of Medical Assistance Services.

B. The appearance of a child before an intake officer may be by (i) personal appearance before the intake officer or (ii) use of two-way electronic video and audio communication. If two-way electronic video and audio communication is used, an intake officer may exercise all powers conferred by law. All communications and proceedings shall be conducted in the same manner as if the appearance were in person, and any documents filed may be transmitted by facsimile process. The facsimile may be served or executed by the officer or person to whom sent, and returned in the same manner, and with the same force, effect, authority, and liability as an original document. All signatures thereon shall be treated as original signatures. Any two-way electronic video and audio communication system used for an appearance shall meet the standards as set forth in subsection B of § 19.2-3.1.

When the court service unit of any court receives a complaint alleging facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241, the unit, through an intake officer, may proceed informally to make such adjustment as is practicable without the filing of a petition or may authorize a petition to be filed by any complainant having sufficient knowledge of the matter to establish probable cause for the issuance of the petition.

An intake officer may proceed informally on a complaint alleging a child is in need of services, in need of supervision, or delinquent only if the juvenile (a) is not alleged to have committed a violent juvenile felony or (b) has not previously been proceeded against informally or adjudicated delinquent for an offense that would be a felony if committed by an adult. A petition alleging that a juvenile committed a violent juvenile felony shall be filed with the court. A petition alleging that a juvenile is delinquent for an offense that would be a felony if committed by an adult shall be filed with the court if the juvenile had previously been proceeded against informally by intake or had been adjudicated delinquent for an offense that would be a felony if committed by an adult.

If a juvenile is alleged to be a truant pursuant to a complaint filed in accordance with § 22.1-258 and the attendance officer has provided documentation to the intake officer that the relevant school division has complied with the provisions of § 22.1-258, then the intake officer shall file a petition with the court. The intake officer may defer filing the petition and proceed informally by developing a truancy plan, provided that (1) the juvenile has not previously been proceeded against informally or adjudicated in need of supervision on more than two occasions for failure to comply with compulsory school attendance as provided in § 22.1-254 and (2) the immediately previous informal action or adjudication occurred at least three calendar years prior to the current complaint. The juvenile and his parent or parents, guardian, or other person standing in loco parentis must agree, in writing, for the development of a truancy plan. The truancy plan may include requirements that the juvenile and his parent or parents, guardian, or other person standing in loco parentis participate in such programs, cooperate in such treatment, or be subject to such conditions and limitations as necessary to ensure the juvenile's compliance with compulsory school attendance as provided in § 22.1-254. The intake officer may refer the juvenile to the appropriate public agency for the purpose of developing a truancy plan using an interagency interdisciplinary team approach. The team may include qualified personnel who are reasonably available from the appropriate department of social services, community services board, local school division, court service unit, and other appropriate and available public and private agencies and may be the family assessment and planning team established pursuant to § 2.2-5207. If at the end of the deferral period the juvenile has not successfully completed the truancy plan or the truancy program, then the intake officer shall file the petition.

Whenever informal action is taken as provided in this subsection on a complaint alleging that a child is in need of services, in need of supervision, or delinquent, the intake officer shall (A) develop a plan for the juvenile, which may include restitution, the performance of community service, or on a complaint alleging that a child has committed a delinquent act other than an act that would be a felony

2497 or a Class 1 misdemeanor if committed by an adult and with the consent of the juvenile's parent or legal  
 2498 guardian, referral to a youth justice diversion program established pursuant to § 16.1-309.11, based upon  
 2499 community resources and the circumstances which resulted in the complaint, (B) create an official record  
 2500 of the action taken by the intake officer and file such record in the juvenile's case file, and (C) advise  
 2501 the juvenile and the juvenile's parent, guardian, or other person standing in loco parentis and the  
 2502 complainant that any subsequent complaint alleging that the child is in need of supervision or delinquent  
 2503 based upon facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241,  
 2504 or in the case of a referral to a youth justice diversion program established pursuant to § 16.1-309.11,  
 2505 that any subsequent report from the youth justice diversion program alleging that the juvenile failed to  
 2506 comply with the youth justice diversion program's sentence within 180 days of the sentencing date, may  
 2507 result in the filing of a petition with the court.

2508 C. The intake officer shall accept and file a petition in which it is alleged that (i) the custody,  
 2509 visitation, or support of a child is the subject of controversy or requires determination, (ii) a person has  
 2510 deserted, abandoned, or failed to provide support for any person in violation of law, (iii) a child or such  
 2511 child's parent, guardian, legal custodian, or other person standing in loco parentis is entitled to treatment,  
 2512 rehabilitation, or other services which are required by law, (iv) family abuse has occurred and a  
 2513 protective order is being sought pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1, or (v) an act of  
 2514 violence, force, or threat has occurred, a protective order is being sought pursuant to § 19.2-152.8,  
 2515 19.2-152.9, or 19.2-152.10, and either the alleged victim or the respondent is a juvenile. If any such  
 2516 complainant does not file a petition, the intake officer may file it. In cases in which a child is alleged to  
 2517 be abused, neglected, in need of services, in need of supervision, or delinquent, if the intake officer  
 2518 believes that probable cause does not exist, or that the authorization of a petition will not be in the best  
 2519 interest of the family or juvenile or that the matter may be effectively dealt with by some agency other  
 2520 than the court, he may refuse to authorize the filing of a petition. The intake officer shall provide to a  
 2521 person seeking a protective order pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1 a written  
 2522 explanation of the conditions, procedures and time limits applicable to the issuance of protective orders  
 2523 pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1. If the person is seeking a protective order pursuant  
 2524 to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, the intake officer shall provide a written explanation of the  
 2525 conditions, procedures, and time limits applicable to the issuance of protective orders pursuant to  
 2526 § 19.2-152.8, 19.2-152.9, or 19.2-152.10.

2527 D. Prior to the filing of any petition alleging that a child is in need of supervision, the matter shall  
 2528 be reviewed by an intake officer who shall determine whether the petitioner and the child alleged to be  
 2529 in need of supervision have utilized or attempted to utilize treatment and services available in the  
 2530 community and have exhausted all appropriate nonjudicial remedies which are available to them. When  
 2531 the intake officer determines that the parties have not attempted to utilize available treatment or services  
 2532 or have not exhausted all appropriate nonjudicial remedies which are available, he shall refer the  
 2533 petitioner and the child alleged to be in need of supervision to the appropriate agency, treatment facility,  
 2534 or individual to receive treatment or services, and a petition shall not be filed. Only after the intake  
 2535 officer determines that the parties have made a reasonable effort to utilize available community  
 2536 treatment or services may he permit the petition to be filed.

2537 E. If the intake officer refuses to authorize a petition relating to an offense that if committed by an  
 2538 adult would be punishable as a Class 1 misdemeanor or as a felony, when such refusal is based solely  
 2539 upon a finding that no probable cause exists, the complainant shall be notified in writing at that time of  
 2540 the complainant's right to apply to a magistrate for a warrant. The application for a warrant to the  
 2541 magistrate shall be filed within 10 days of the issuance of the written notification. The written  
 2542 notification shall indicate that the intake officer made a finding that no probable cause exists and shall  
 2543 provide notice that the complainant has 10 days to apply for a warrant to the magistrate. The  
 2544 complainant shall provide the magistrate with a copy of the written notification upon application to the  
 2545 magistrate. If a magistrate determines that probable cause exists, he shall issue a warrant returnable to  
 2546 the juvenile and domestic relations district court. The warrant shall be delivered forthwith to the juvenile  
 2547 court, and the intake officer shall accept and file a petition founded upon the warrant. If the court is  
 2548 closed and the magistrate finds that the criteria for detention or shelter care set forth in § 16.1-248.1  
 2549 have been satisfied, the juvenile may be detained pursuant to the warrant issued in accordance with this  
 2550 subsection. If the intake officer refuses to authorize a petition relating to a child in need of services or  
 2551 in need of supervision, a status offense, or a misdemeanor other than Class 1, his decision is final. If the  
 2552 intake officer refuses to authorize a petition relating to an offense that if committed by an adult would  
 2553 be punishable as a Class 1 misdemeanor or as a felony when such refusal is based upon a finding that  
 2554 (i) probable cause exists, but that (ii) the matter is appropriate for diversion, his decision is final and the  
 2555 complainant shall not have a right to apply to a magistrate for a warrant.

2556 Upon delivery to the juvenile court of a warrant issued pursuant to subdivision 2 of § 16.1-256, the  
 2557 intake officer shall accept and file a petition founded upon the warrant.

F. The intake officer shall notify the attorney for the Commonwealth of the filing of any petition which alleges facts of an offense which would be a felony if committed by an adult.

G. Notwithstanding the provisions of Article 12 (§ 16.1-299 et seq.), the intake officer shall file a report with the division superintendent of the school division in which any student who is the subject of a petition alleging that such student who is a juvenile has committed an act, wherever committed, which would be a crime if committed by an adult, or that such student who is an adult has committed a crime and is alleged to be within the jurisdiction of the court. The report shall notify the division superintendent of the filing of the petition and the nature of the offense, if the violation involves:

1. A firearm offense pursuant to Article 4 (§ 18.2-279 et seq.), 5 (§ 18.2-288 et seq.), 6 (§ 18.2-299 et seq.), 6.1 (§ 18.2-307.1 et seq.), or 7 (§ 18.2-308.1 et seq.) of Chapter 7 of Title 18.2;

2. Homicide, pursuant to Article 1 (§ 18.2-30 et seq.) of Chapter 4 of Title 18.2;

3. Felonious assault and bodily wounding, pursuant to Article 4 (§ 18.2-51 et seq.) of Chapter 4 of Title 18.2;

4. Criminal sexual assault, pursuant to Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2;

5. Manufacture, sale, gift, distribution or possession of Schedule I or II controlled substances, pursuant to Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2;

6. Manufacture, sale or distribution of marijuana pursuant to ~~Article 4 Chapter 11~~ (§ 18.2-247 4.1-1100 et seq.) of Chapter 7 of Title 18.2 4.1;

7. Arson and related crimes, pursuant to Article 1 (§ 18.2-77 et seq.) of Chapter 5 of Title 18.2;

8. Burglary and related offenses, pursuant to §§ 18.2-89 through 18.2-93;

9. Robbery pursuant to § 18.2-58;

10. Prohibited criminal street gang activity pursuant to § 18.2-46.2;

11. Recruitment of other juveniles for a criminal street gang activity pursuant to § 18.2-46.3;

12. An act of violence by a mob pursuant to § 18.2-42.1;

13. Abduction of any person pursuant to § 18.2-47 or 18.2-48; or

14. A threat pursuant to § 18.2-60.

The failure to provide information regarding the school in which the student who is the subject of the petition may be enrolled shall not be grounds for refusing to file a petition.

The information provided to a division superintendent pursuant to this section may be disclosed only as provided in § 16.1-305.2.

H. The filing of a petition shall not be necessary:

1. In the case of violations of the traffic laws, including offenses involving bicycles, hitchhiking and other pedestrian offenses, game and fish laws, or a violation of the ordinance of any city regulating surfing or any ordinance establishing curfew violations, animal control violations, or littering violations. In such cases the court may proceed on a summons issued by the officer investigating the violation in the same manner as provided by law for adults. Additionally, an officer investigating a motor vehicle accident may, at the scene of the accident or at any other location where a juvenile who is involved in such an accident may be located, proceed on a summons in lieu of filing a petition.

2. In the case of seeking consent to apply for the issuance of a work permit pursuant to subsection H of § 16.1-241.

3. In the case of a misdemeanor violation of § 18.2-266, 18.2-266.1, or 29.1-738 or the commission of any other alcohol-related offense, provided that the juvenile is released to the custody of a parent or legal guardian pending the initial court date. The officer releasing a juvenile to the custody of a parent or legal guardian shall issue a summons to the juvenile and shall also issue a summons requiring the parent or legal guardian to appear before the court with the juvenile. Disposition of the charge shall be in the manner provided in § 16.1-278.8, 16.1-278.8:01, or 16.1-278.9. If the juvenile so charged with a violation of § 18.2-51.4, 18.2-266, 18.2-266.1, 18.2-272, or 29.1-738 refuses to provide a sample of blood or breath or samples of both blood and breath for chemical analysis pursuant to §§ 18.2-268.1 through 18.2-268.12 or 29.1-738.2, the provisions of these sections shall be followed except that the magistrate shall authorize execution of the warrant as a summons. The summons shall be served on a parent or legal guardian and the juvenile, and a copy of the summons shall be forwarded to the court in which the violation is to be tried. When a violation of § 4.1-305 or 4.1-1105 is charged by summons, the juvenile shall be entitled to have the charge referred to intake for consideration of informal proceedings pursuant to subsection B, provided that such right is exercised by written notification to the clerk not later than 10 days prior to trial. At the time such summons alleging a violation of § 4.1-305 or 4.1-1105 is served, the officer shall also serve upon the juvenile written notice of the right to have the charge referred to intake on a form approved by the Supreme Court and make return of such service to the court. If the officer fails to make such service or return, the court shall dismiss the summons without prejudice.

4. In the case of offenses, *other than marijuana-related offenses*, which, if committed by an adult, would be punishable as a Class 3 or Class 4 misdemeanor. In such cases the court may direct that an

intake officer proceed as provided in § 16.1-237 on a summons issued by the officer investigating the violation in the same manner as provided by law for adults provided that notice of the summons to appear is mailed by the investigating officer within five days of the issuance of the summons to a parent or legal guardian of the juvenile.

I. Failure to comply with the procedures set forth in this section shall not divest the juvenile court of the jurisdiction granted it in § 16.1-241.

**§ 16.1-273. Court may require investigation of social history and preparation of victim impact statement.**

A. When a juvenile and domestic relations district court or circuit court has adjudicated any case involving a child subject to the jurisdiction of the court hereunder, except for a traffic violation, a violation of the game and fish law, or a violation of any city ordinance regulating surfing or establishing curfew violations, the court before final disposition thereof may require an investigation, which (i) shall include a drug screening and (ii) may, and for the purposes of subdivision A 14 or 17 of § 16.1-278.8 shall, include a social history of the physical, mental, and social conditions, including an assessment of any affiliation with a criminal street gang as defined in § 18.2-46.1, and personality of the child and the facts and circumstances surrounding the violation of law. However, in the case of a juvenile adjudicated delinquent on the basis of an act committed on or after January 1, 2000, which would be (a) a felony if committed by an adult, ~~or~~ (b) a violation under Article 1 (§ 18.2-247 et seq.) or Article 1.1 (§ 18.2-265.1 et seq.) of Chapter 7 of Title 18.2 and such offense would be punishable as a Class 1 or Class 2 misdemeanor if committed by an adult, *or (c) a violation of § 4.1-1105*, the court shall order the juvenile to undergo a drug screening. If the drug screening indicates that the juvenile has a substance abuse or dependence problem, an assessment shall be completed by a certified substance abuse counselor as defined in § 54.1-3500 employed by the Department of Juvenile Justice or by a locally operated court services unit or by an individual employed by or currently under contract to such agencies and who is specifically trained to conduct such assessments under the supervision of such counselor.

B. The court also shall, on motion of the attorney for the Commonwealth with the consent of the victim, or may in its discretion, require the preparation of a victim impact statement in accordance with the provisions of § 19.2-299.1 if the court determines that the victim may have suffered significant physical, psychological, or economic injury as a result of the violation of law.

**§ 16.1-278.9. Delinquent children; loss of driving privileges for alcohol, firearm, and drug offenses; truancy.**

A. If a court has found facts which would justify a finding that a child at least 13 years of age at the time of the offense is delinquent and such finding involves (i) a violation of § 18.2-266 or of a similar ordinance of any county, city, or town; (ii) a refusal to take a breath test in violation of § 18.2-268.2; (iii) a felony violation of Chapter 11 (§ 4.1-1100 et seq.) of Title 4.1 or § 18.2-248, ~~18.2-248.1~~, or 18.2-250; (iv) a misdemeanor violation of Chapter 11 (§ 4.1-1100 et seq.) of Title 4.1 or § 18.2-248, ~~18.2-248.1~~, or 18.2-250 *or a violation of § 4.1-1105*; (v) the unlawful purchase, possession, or consumption of alcohol in violation of § 4.1-305 or the unlawful drinking or possession of alcoholic beverages in or on public school grounds in violation of § 4.1-309; (vi) public intoxication in violation of § 18.2-388 or a similar ordinance of a county, city, or town; (vii) the unlawful use or possession of a handgun or possession of a "streetsweeper" as defined below; or (viii) a violation of § 18.2-83, the court shall order, in addition to any other penalty that it may impose as provided by law for the offense, that the child be denied a driver's license. In addition to any other penalty authorized by this section, if the offense involves a violation designated under clause (i) and the child was transporting a person 17 years of age or younger, the court shall impose the additional fine and order community service as provided in § 18.2-270. If the offense involves a violation designated under clause (i), (ii), (iii), or (viii), the denial of a driver's license shall be for a period of one year or until the juvenile reaches the age of 17, whichever is longer, for a first such offense or for a period of one year or until the juvenile reaches the age of 18, whichever is longer, for a second or subsequent such offense. If the offense involves a violation designated under clause (iv), (v), or (vi) the denial of driving privileges shall be for a period of six months unless the offense is committed by a child under the age of 16 years and three months, in which case the child's ability to apply for a driver's license shall be delayed for a period of six months following the date he reaches the age of 16 and three months. If the offense involves a first violation designated under clause (v) or (vi), the court shall impose the license sanction and may enter a judgment of guilt or, without entering a judgment of guilt, may defer disposition of the delinquency charge until such time as the court disposes of the case pursuant to subsection F. If the offense involves a violation designated under clause (iii) or (iv), the court shall impose the license sanction and shall dispose of the delinquency charge pursuant to the provisions of this chapter or § 18.2-251. If the offense involves a violation designated under clause (vii), the denial of driving privileges shall be for a period of not less than 30 days, except when the offense involves possession of a concealed handgun or a striker 12, commonly called a "streetsweeper," or any semi-automatic folding stock shotgun of like kind with a

spring tension drum magazine capable of holding 12 shotgun shells, in which case the denial of driving privileges shall be for a period of two years unless the offense is committed by a child under the age of 16 years and three months, in which event the child's ability to apply for a driver's license shall be delayed for a period of two years following the date he reaches the age of 16 and three months.

A1. If a court finds that a child at least 13 years of age has failed to comply with school attendance and meeting requirements as provided in § 22.1-258, the court shall order the denial of the child's driving privileges for a period of not less than 30 days. If such failure to comply involves a child under the age of 16 years and three months, the child's ability to apply for a driver's license shall be delayed for a period of not less than 30 days following the date he reaches the age of 16 and three months.

If the court finds a second or subsequent such offense, it may order the denial of a driver's license for a period of one year or until the juvenile reaches the age of 18, whichever is longer, or delay the child's ability to apply for a driver's license for a period of one year following the date he reaches the age of 16 and three months, as may be appropriate.

A2. If a court finds that a child at least 13 years of age has refused to take a blood test in violation of § 18.2-268.2, the court shall order that the child be denied a driver's license for a period of one year or until the juvenile reaches the age of 17, whichever is longer, for a first such offense or for a period of one year or until the juvenile reaches the age of 18, whichever is longer, for a second or subsequent such offense.

B. Any child who has a driver's license at the time of the offense or at the time of the court's finding as provided in subsection A1 or A2 shall be ordered to surrender his driver's license, which shall be held in the physical custody of the court during any period of license denial.

C. The court shall report any order issued under this section to the Department of Motor Vehicles, which shall preserve a record thereof. The report and the record shall include a statement as to whether the child was represented by or waived counsel or whether the order was issued pursuant to subsection A1 or A2. Notwithstanding the provisions of Article 12 (§ 16.1-299 et seq.) or the provisions of Title 46.2, this record shall be available only to all law-enforcement officers, attorneys for the Commonwealth and courts. No other record of the proceeding shall be forwarded to the Department of Motor Vehicles unless the proceeding results in an adjudication of guilt pursuant to subsection F.

The Department of Motor Vehicles shall refuse to issue a driver's license to any child denied a driver's license until such time as is stipulated in the court order or until notification by the court of withdrawal of the order of denial under subsection E.

D. If the finding as to the child involves a violation designated under clause (i), (ii), (iii) or (vi) of subsection A or a violation designated under subsection A2, the child may be referred to a certified alcohol safety action program in accordance with § 18.2-271.1 upon such terms and conditions as the court may set forth. If the finding as to such child involves a violation designated under clause (iii), (iv), (v), (vii) or (viii) of subsection A, such child may be referred to appropriate rehabilitative or educational services upon such terms and conditions as the court may set forth.

The court, in its discretion and upon a demonstration of hardship, may authorize the use of a restricted permit to operate a motor vehicle by any child who has a driver's license at the time of the offense or at the time of the court's finding as provided in subsection A1 or A2 for any of the purposes set forth in subsection E of § 18.2-271.1 or for travel to and from school, except that no restricted license shall be issued for travel to and from home and school when school-provided transportation is available and no restricted license shall be issued if the finding as to such child involves a violation designated under clause (iii) or (iv) of subsection A, or if it involves a second or subsequent violation of any offense designated in subsection A, a second finding by the court of failure to comply with school attendance and meeting requirements as provided in subsection A1, or a second or subsequent finding by the court of a refusal to take a blood test as provided in subsection A2. The issuance of the restricted permit shall be set forth within the court order, a copy of which shall be provided to the child, and shall specifically enumerate the restrictions imposed and contain such information regarding the child as is reasonably necessary to identify him. The child may operate a motor vehicle under the court order in accordance with its terms. Any child who operates a motor vehicle in violation of any restrictions imposed pursuant to this section is guilty of a violation of § 46.2-301.

E. Upon petition made at least 90 days after issuance of the order, the court may review and withdraw any order of denial of a driver's license if for a first such offense or finding as provided in subsection A1 or A2. For a second or subsequent such offense or finding, the order may not be reviewed and withdrawn until one year after its issuance.

F. If the finding as to such child involves a first violation designated under clause (vii) of subsection A, upon fulfillment of the terms and conditions prescribed by the court and after the child's driver's license has been restored, the court shall or, in the event the violation resulted in the injury or death of any person or if the finding involves a violation designated under clause (i), (ii), (v), or (vi) of subsection A, may discharge the child and dismiss the proceedings against him. Discharge and dismissal

under these provisions shall be without an adjudication of guilt but a record of the proceeding shall be retained for the purpose of applying this section in subsequent proceedings. Failure of the child to fulfill such terms and conditions shall result in an adjudication of guilt. If the finding as to such child involves a violation designated under clause (iii) or (iv) of subsection A, the charge shall not be dismissed pursuant to this subsection but shall be disposed of pursuant to the provisions of this chapter or § 18.2-251. If the finding as to such child involves a second violation under clause (v), (vi) or (vii) of subsection A, the charge shall not be dismissed pursuant to this subsection but shall be disposed of under § 16.1-278.8.

**§ 18.2-247. Use of terms "controlled substances," "Schedules I, II, III, IV, V, and VI," "imitation controlled substance," and "counterfeit controlled substance" in Title 18.2.**

A. Wherever the terms "controlled substances" and "Schedules I, II, III, IV, V, and VI" are used in Title 18.2, such terms refer to those terms as they are used or defined in the Drug Control Act (§ 54.1-3400 et seq.).

B. The term "imitation controlled substance" when used in this article means (i) a counterfeit controlled substance or (ii) a pill, capsule, tablet, or substance in any form whatsoever ~~which~~ *that* is not a controlled substance subject to abuse, and:

1. Which by overall dosage unit appearance, including color, shape, size, marking, and packaging or by representations made, would cause the likelihood that such a pill, capsule, tablet, or substance in any other form whatsoever will be mistaken for a controlled substance unless such substance was introduced into commerce prior to the initial introduction into commerce of the controlled substance which it is alleged to imitate; or

2. Which by express or implied representations purports to act like a controlled substance as a stimulant or depressant of the central nervous system and which is not commonly used or recognized for use in that particular formulation for any purpose other than for such stimulant or depressant effect, unless marketed, promoted, or sold as permitted by the U.S. Food and Drug Administration.

C. In determining whether a pill, capsule, tablet, or substance in any other form whatsoever, is an "imitation controlled substance," there shall be considered, in addition to all other relevant factors, comparisons with accepted methods of marketing for legitimate nonprescription drugs for medicinal purposes rather than for drug abuse or any similar nonmedicinal use, including consideration of the packaging of the drug and its appearance in overall finished dosage form, promotional materials or representations, oral or written, concerning the drug, and the methods of distribution of the drug and where and how it is sold to the public.

D. The term "marijuana" when used in this article means any part of a plant of the genus *Cannabis*, whether growing or not, its seeds or resin; and every compound, manufacture, salt, derivative, mixture, or preparation of such plant, its seeds, its resin, or any extract containing one or more cannabinoids. "Marijuana" does not include (i) the mature stalks of such plant, fiber produced from such stalk, oil or cake made from the seed of such plant, unless such stalks, fiber, oil or cake is combined with other parts of plants of the genus *Cannabis*; (ii) industrial hemp, as defined in § 3.2-4112, that is possessed by a person registered pursuant to subsection A of § 3.2-4115 or his agent; (iii) industrial hemp, as defined in § 3.2-4112, that is possessed by a person who holds a hemp producer license issued by the U.S. Department of Agriculture pursuant to 7 C.F.R. Part 990; (iv) a hemp product, as defined in § 3.2-4112; (v) an industrial hemp extract, as defined in § 3.2-5145.1; or (vi) any substance containing a

tetrahydrocannabinol isomer, ester, ether, salt or salts of such isomer, ester, or ether that has been placed by the Board of Pharmacy into one of the schedules set forth in the Drug Control Act (§ 54.1-3400 et seq.) pursuant to § 54.1-3443.

E. The term "counterfeit controlled substance" means a controlled substance that, without authorization, bears, is packaged in a container or wrapper that bears, or is otherwise labeled to bear, the trademark, trade name, or other identifying mark, imprint or device or any likeness thereof, of a drug manufacturer, processor, packer, or distributor other than the manufacturer, processor, packer, or distributor who did in fact so manufacture, process, pack or distribute such drug.

F. E. The term "tetrahydrocannabinol" means any naturally occurring or synthetic tetrahydrocannabinol, including its salts, isomers, and salts of isomers whenever the existence of such salts, isomers, and salts of isomers is possible within the specific chemical designation and any preparation, mixture, or substance containing, or mixed or infused with, any detectable amount of tetrahydrocannabinol. For the purposes of this definition, "isomer" means the optical, position, and geometric isomers.

G. F. The term "total tetrahydrocannabinol" means the sum, after the application of any necessary conversion factor, of the percentage by weight of tetrahydrocannabinol and the percentage by weight of tetrahydrocannabinolic acid.

H. G. The Department of Forensic Science shall determine the proper methods for detecting the concentration of tetrahydrocannabinol in substances for the purposes of this title, Chapter 11 (§ 4.1-1100 et seq.) of Title 4.1, and § 54.1-3401. The testing methodology shall use post-decarboxylation testing or other equivalent method and shall consider the potential conversion of tetrahydrocannabinolic acid into tetrahydrocannabinol.

**§ 18.2-248. Manufacturing, selling, giving, distributing, or possessing with intent to manufacture, sell, give, or distribute a controlled substance or an imitation controlled substance prohibited; penalties.**

A. Except as authorized in the Drug Control Act (§ 54.1-3400 et seq.), it shall be unlawful for any person to manufacture, sell, give, distribute, or possess with intent to manufacture, sell, give or distribute a controlled substance or an imitation controlled substance.

B. In determining whether any person intends to manufacture, sell, give or distribute an imitation controlled substance, the court may consider, in addition to all other relevant evidence, whether any distribution or attempted distribution of such pill, capsule, tablet or substance in any other form whatsoever included an exchange of or a demand for money or other property as consideration, and, if so, whether the amount of such consideration was substantially greater than the reasonable value of such pill, capsule, tablet or substance in any other form whatsoever, considering the actual chemical composition of such pill, capsule, tablet or substance in any other form whatsoever and, where applicable, the price at which over-the-counter substances of like chemical composition sell.

C. Except as provided in subsection C1, any person who violates this section with respect to a controlled substance classified in Schedule I or II shall upon conviction be imprisoned for not less than five nor more than 40 years and fined not more than \$500,000. Upon a second conviction of such a violation, and it is alleged in the warrant, indictment, or information that the person has been before convicted of such an offense or of a substantially similar offense in any other jurisdiction, which offense would be a felony if committed in the Commonwealth, and such prior conviction occurred before the date of the offense alleged in the warrant, indictment, or information, any such person may, in the discretion of the court or jury imposing the sentence, be sentenced to imprisonment for life or for any period not less than five years, three years of which shall be a mandatory minimum term of imprisonment to be served consecutively with any other sentence, and he shall be fined not more than \$500,000.

When a person is convicted of a third or subsequent offense under this subsection and it is alleged in the warrant, indictment or information that he has been before convicted of two or more such offenses or of substantially similar offenses in any other jurisdiction which offenses would be felonies if committed in the Commonwealth and such prior convictions occurred before the date of the offense alleged in the warrant, indictment, or information, he shall be sentenced to imprisonment for life or for a period of not less than 10 years, 10 years of which shall be a mandatory minimum term of imprisonment to be served consecutively with any other sentence, and he shall be fined not more than \$500,000.

Any person who manufactures, sells, gives, distributes or possesses with the intent to manufacture, sell, give, or distribute the following is guilty of a felony punishable by a fine of not more than \$1 million and imprisonment for five years to life, five years of which shall be a mandatory minimum term of imprisonment to be served consecutively with any other sentence:

1. 100 grams or more of a mixture or substance containing a detectable amount of heroin;
2. 500 grams or more of a mixture or substance containing a detectable amount of:

a. Coca leaves, except coca leaves and extracts of coca leaves from which cocaine, ecgonine, and derivatives of ecgonine or their salts have been removed;

b. Cocaine, its salts, optical and geometric isomers, and salts of isomers;

c. Ecgonine, its derivatives, their salts, isomers, and salts of isomers; or

3. 250 grams or more of a mixture or substance described in subdivisions ~~2a 2 a~~ through ~~2d 2 d~~ that contain cocaine base; or

4. 10 grams or more of methamphetamine, its salts, isomers, or salts of its isomers or 20 grams or more of a mixture or substance containing a detectable amount of methamphetamine, its salts, isomers, or salts of its isomers.

The mandatory minimum term of imprisonment to be imposed for a violation of this subsection shall not be applicable if the court finds that:

a. The person does not have a prior conviction for an offense listed in subsection C of § 17.1-805;

b. The person did not use violence or credible threats of violence or possess a firearm or other dangerous weapon in connection with the offense or induce another participant in the offense to do so;

c. The offense did not result in death or serious bodily injury to any person;

d. The person was not an organizer, leader, manager, or supervisor of others in the offense, and was not engaged in a continuing criminal enterprise as defined in subsection I; and

e. Not later than the time of the sentencing hearing, the person has truthfully provided to the Commonwealth all information and evidence the person has concerning the offense or offenses that were part of the same course of conduct or of a common scheme or plan, but the fact that the person has no relevant or useful other information to provide or that the Commonwealth already is aware of the information shall not preclude a determination by the court that the defendant has complied with this requirement.

C1. Any person who violates this section with respect to the manufacturing of methamphetamine, its salts, isomers, or salts of its isomers or less than 200 grams of a mixture or substance containing a detectable amount of methamphetamine, its salts, isomers, or salts of its isomers shall, upon conviction, be imprisoned for not less than 10 nor more than 40 years and fined not more than \$500,000. When a person is convicted of a third or subsequent offense under this subsection and it is alleged in the warrant, indictment, or information that he has been previously convicted of two or more such offenses or of substantially similar offenses in any other jurisdiction, which offenses would be felonies if committed in the Commonwealth and such prior convictions occurred before the date of the offense alleged in the warrant, indictment, or information, he shall be sentenced to imprisonment for life or for a period not less than 10 years, three years of which shall be a mandatory minimum term of imprisonment to be served consecutively with any other sentence and he shall be fined not more than \$500,000.

Upon conviction, in addition to any other punishment, a person found guilty of this offense shall be ordered by the court to make restitution, as the court deems appropriate, to any innocent property owner whose property is damaged, destroyed, or otherwise rendered unusable as a result of such methamphetamine production. This restitution shall include the person's or his estate's estimated or actual expenses associated with cleanup, removal, or repair of the affected property. If the property that is damaged, destroyed, or otherwise rendered unusable as a result of such methamphetamine production is property owned in whole or in part by the person convicted, the court shall order the person to pay to the Methamphetamine Cleanup Fund authorized in § 18.2-248.04 the reasonable estimated or actual expenses associated with cleanup, removal, or repair of the affected property or, if actual or estimated expenses cannot be determined, the sum of \$10,000. The convicted person shall also pay the cost of certifying that any building that is cleaned up or repaired pursuant to this section is safe for human occupancy according to the guidelines established pursuant to § 32.1-11.7.

D. If such person proves that he gave, distributed or possessed with intent to give or distribute a controlled substance classified in Schedule I or II only as an accommodation to another individual who is not an inmate in a community correctional facility, local correctional facility or state correctional facility as defined in § 53.1-1 or in the custody of an employee thereof, and not with intent to profit thereby from any consideration received or expected nor to induce the recipient or intended recipient of the controlled substance to use or become addicted to or dependent upon such controlled substance, he ~~shall be~~ *is* guilty of a Class 5 felony.

E. If the violation of the provisions of this article consists of the filling by a pharmacist of the prescription of a person authorized under this article to issue the same, which prescription has not been received in writing by the pharmacist prior to the filling thereof, and such written prescription is in fact

received by the pharmacist within one week of the time of filling the same, or if such violation consists of a request by such authorized person for the filling by a pharmacist of a prescription which has not been received in writing by the pharmacist and such prescription is, in fact, written at the time of such request and delivered to the pharmacist within one week thereof, either such offense shall constitute a Class 4 misdemeanor.

E1. Any person who violates this section with respect to a controlled substance classified in Schedule III except for an anabolic steroid classified in Schedule III, constituting a violation of § 18.2-248.5, ~~shall be~~ *is* guilty of a Class 5 felony.

A second or subsequent conviction hereunder shall be punishable by a mandatory minimum term of imprisonment of 10 years, which shall be served consecutively with any other sentence.

**§ 18.2-251. Persons charged with first offense may be placed on probation; conditions; substance abuse screening, assessment treatment and education programs or services; drug tests; costs and fees; violations; discharge.**

Whenever any person who has not previously been convicted of any criminal offense under this article or under any statute of the United States or of any state relating to narcotic drugs, ~~marijuana~~, or stimulant, depressant, or hallucinogenic drugs, or has not previously had a proceeding against him for violation of such an offense dismissed as provided in this section, or pleads guilty to or enters a plea of not guilty to possession of a controlled substance under § 18.2-250, the court, upon such plea if the facts found by the court would justify a finding of guilt, without entering a judgment of guilt and with the consent of the accused, may defer further proceedings and place him on probation upon terms and conditions. If the court defers further proceedings, at that time the court shall determine whether the clerk of court has been provided with the fingerprint identification information or fingerprints of the person, taken by a law-enforcement officer pursuant to § 19.2-390, and, if not, shall order that the fingerprints and photograph of the person be taken by a law-enforcement officer.

As a term or condition, the court shall require the accused to undergo a substance abuse assessment pursuant to § 18.2-251.01 or 19.2-299.2, as appropriate, and enter treatment and/or education program or services, if available, such as, in the opinion of the court, may be best suited to the needs of the accused based upon consideration of the substance abuse assessment. The program or services may be located in the judicial district in which the charge is brought or in any other judicial district as the court may provide. The services shall be provided by (i) a program licensed by the Department of Behavioral Health and Developmental Services, by a similar program which is made available through the Department of Corrections, (ii) a local community-based probation services agency established pursuant to § 9.1-174, or (iii) an ASAP program certified by the Commission on VASAP.

The court shall require the person entering such program under the provisions of this section to pay all or part of the costs of the program, including the costs of the screening, assessment, testing, and treatment, based upon the accused's ability to pay unless the person is determined by the court to be indigent.

As a condition of probation, the court shall require the accused (a) to successfully complete treatment or education program or services, (b) to remain drug and alcohol free during the period of probation and submit to such tests during that period as may be necessary and appropriate to determine if the accused is drug and alcohol free, (c) to make reasonable efforts to secure and maintain employment, and (d) to comply with a plan of at least 100 hours of community service for a felony and up to 24 hours of community service for a misdemeanor. Such testing shall be conducted by personnel of the supervising probation agency or personnel of any program or agency approved by the supervising probation agency.

Upon violation of a term or condition, the court may enter an adjudication of guilt and proceed as otherwise provided. Upon fulfillment of the terms and conditions, and upon determining that the clerk of court has been provided with the fingerprint identification information or fingerprints of such person, the court shall discharge the person and dismiss the proceedings against him. Discharge and dismissal under this section shall be without adjudication of guilt and is a conviction only for the purposes of applying this section in subsequent proceedings.

Notwithstanding any other provision of this section, whenever a court places an individual on probation upon terms and conditions pursuant to this section, such action shall be treated as a conviction for purposes of § 22.1-315.
