7 **Be it enacted by the General Assembly of Virginia:**

8 1. § 1. That the Joint Commission on Technology and Science (JCOTS) shall, in consultation with  
9 relevant stakeholders, conduct an analysis of the use of artificial intelligence by public bodies in the  
10 Commonwealth and the creation of a Commission on Artificial Intelligence. The analysis shall include  
11 an examination of proper policies and procedures regarding artificial intelligence systems to (i) govern  
12 the procurement, implementation, and ongoing assessment of any such system by a public body; (ii)  
13 ensure that no such system results in any unlawful discrimination or unlawful disparate impact against  
14 any individual or group of individuals; and (iii) require a public body to assess the likely impact of  
15 using any such system and perform ongoing assessments to ensure that the use of any such system does  
16 not result in any such unlawful discrimination or disparate impact. The analysis shall also include an  
17 assessment of creating a Commission on Artificial Intelligence to advise the General Assembly on issues  
18 related to artificial intelligence, the proper composition of such a commission, and the proper duties of  
19 the commission in accordance with the provisions of clauses (i), (ii), and (iii). JCOTS shall submit a  
20 report of its findings and recommendations to the Chairmen of the House Committees on Appropriations  
21 and Communications, Technology and Innovation and the Senate Committees on Finance and  
22 Appropriations and General Laws and Technology no later than December 1, 2024.
