5. Summary: This bill creates a program for local, regional, or statewide notification of a missing or endangered child. The bill defines a missing or endangered child as a child (i) who is 17 years of age or younger or is currently enrolled in a secondary school in the Commonwealth, regardless of age; (ii) whose whereabouts are unknown; and (iii) whose disappearance is under suspicious circumstances or poses a credible threat as determined by law enforcement to the safety and health of the child and under such other circumstances as deemed appropriate by the Virginia State Police. This bill also differentiates the maximum time allowed for a Codi Alert to be activated from the initial notice depending on the age of the missing child. It also requires of VSP that the Codi Alert Program is available and operational no later than July 1, 2025.

6. Budget Amendment Necessary: No.
