**2. Patron:** Jones

**3. Committee:** Passed both houses.

**4. Title:** Auto sears; prohibition on manufacture, importation, sale, etc., penalty.

**5. Summary:** The bill amends § 18.2-308.5:1 (prohibitions and penalties for trigger activators) of the Code of Virginia, to include a prohibition of the relating to the manufacture, importation, sale, possession, transfer, or transportation of auto sears. Auto sear is defined as a device designed for use in converting a semi-automatic firearm to shoot automatically more than one shot, without reloading, by a single function of the trigger. A violation of the proposed provisions results in a Class 6 felony. The substitute also makes amendments to § 19.2-386.28 (forfeiture of weapons).

**6. Budget Amendment Necessary:** Yes. Item 390.

**7. Fiscal Impact Estimates:** Final (see Item 8 below).

**8. Fiscal Implications:** The proposal expands an existing Class 6 felony which prohibits the manufacture, import, sale, offer for sale, possess, transfer, or transport of a trigger activator in the Commonwealth to include auto sears. For someone convicted of a Class 6 felony, a judge has the option of sentencing the offender to a term of imprisonment of not less than one year nor more than five years, or in the discretion of the jury or the court trying the case without a jury, confinement in jail for not more than 12 months and a fine of not more than \$2,500, either or both.

Due to the lack of data, the Virginia Criminal Sentencing Commission has concluded, pursuant to § 30-19.1:4 of the Code of Virginia, that the impact of the proposed legislation on state-responsible (prison) bed space cannot be determined. In such cases, Chapter 1, 2023 Acts of Assembly, Special Session I, requires that a minimum impact of \$50,000 be assigned to the bill.

Additionally, the Commonwealth currently pays the localities \$5.00 a day for each misdemeanor or otherwise local-responsible prisoner held in a jail and \$15.00 a day for each state-responsible prisoner. It also funds a considerable portion of the jails' operating costs, e.g., correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (November 2023), the estimated total state support for local jails averaged \$45.76 per inmate, per day in FY 2022.

**9. Specific Agency or Political Subdivisions Affected:** Courts, Commonwealth's Attorneys, Public Defenders' Offices, law enforcement agencies, Department of Corrections, local and regional correctional facilities.

**10. Technical Amendment Necessary:** No.

**11. Other Comments:** This bill is identical to SB210H1.
