4. Title: Health insurance; coverage for colorectal cancer screening.

5. Summary: Requires health insurers to provide coverage for examinations and laboratory tests related to colorectal cancer screening in accordance with the most recently published recommendations established by U.S. Preventive Services Task Force for colorectal cancer screening for which a rating of A or B is in effect with respect to the individual involved. A follow-up colonoscopy after a positive noninvasive stool-based screening test or direct visualization screening test shall be covered.

The bill prohibits such coverage from being subject to any deductible, coinsurance, or any other cost-sharing requirements for services received from participating providers under the policy, contract, or plan. The provisions of the bill apply to individual or group accident and sickness insurance policies, individual or group accident and sickness subscription contracts, or health care plans delivered, issued for delivery, or renewed in the Commonwealth on and after January 1, 2025.

6. Budget Amendment Necessary: No.
