The bill also exempts from licensure by the Superintendent of Public Instruction any child day program that (i) serves only dependent children of military personnel and (ii) (a) is located on a military base or federal property or (b) is certified as a family child care provider by a branch of the Armed Forces of the United States and provides that any branch of the Armed Forces of the United States or its agent, including an installation commander of a military base on which a child day program is located, may assume responsibility for approving or determining which children may be served by the program that is so exempted from licensure.
