4. Title: Civil immunity; dentists and dental hygienists; mental health treatment for health care.

5. Summary: Adds dentists and dental hygienists to the list of providers who are immune from civil liability for any act done or made in performance of his duties while serving as a member of or consultant to an entity that functions primarily to review, evaluate, or make recommendations on a professional program to address issues related to career fatigue and wellness in health care professionals. The bill also extends civil immunity to certain providers for any act done or made in performance of his duties while serving as a member of or consultant to an entity that functions primarily to arrange for or provide outpatient health care for health care professionals. The bill also revises the Board of Medicine reporting requirements when a health care professional is admitted for mental health treatment. Under the bill, if a health care professional is voluntarily admitted to a health care institution for treatment of a substance abuse or psychiatric illness and is no longer believed to be a danger within 30 days then no report will be made to the Board of Medicine.
