Such temporary license shall be valid only until the permanent license is presented as provided in § 46.2-336.* The application must be signed by a parent of the applicant, otherwise by the guardian having custody of him. However, in the event a minor has no parent or guardian, then a driver's license shall not be issued to him unless his application is signed by the judge of the family court of the city or county in which he resides. If the minor making the application is married, in lieu of any signature required in the preceding provisions of this section, on presentation of proper evidence of the solemnization of the marriage, the spouse of the minor may sign the application, if the spouse is over the age of eighteen years. Any parent, spouse, or guardian, as the case may be, may thereafter file with the Department a written request that the license of the minor so granted be cancelled. When such a request is filed, the Department shall cancel the license of the minor and the license shall not thereafter be reissued by the Department until a period of six months has elapsed from the date of cancellation. The minor shall be required to state in his application whether or not he has been convicted of an offense triable by, or tried in, a family court or found by such court to be a child in need of supervision, as defined in § 16.1-228. If it appears that the minor has been adjudged not innocent of the offense alleged or has been found to be a child in need of supervision, the Department shall not issue a license without the written approval of the judge of the family court making an adjudication as to the minor or the like approval of a similar court of the county or city in which the parent, guardian, or spouse, respectively, of the minor resides.

The application for a driver's license by a minor of the age of persons required to attend school pursuant to § 22.1-254 shall be accompanied by evidence of compliance with Article 1 (§ 22.1-254 et seq.) of Chapter 14 of Title 22.1 on a form furnished by the Board of Education and certified by the division superintendent or any of his designees. For minors attending nonpublic schools, such certification shall be made by the private school principal or any of his designees; for minors receiving home schooling, such certification shall be made by the home schooling parent or tutor. If the minor is unable to furnish such evidence, the minor shall not be granted a driver's license until evidence in a form and manner prescribed by the Board of Education is provided that the minor has received counseling on the importance of school attendance, school enrollment and completion of an educational program.

1b. A minor may present a high school diploma or its equivalent or a certificate indicating completion of a prescribed course of study as defined by the local school board pursuant to § 22.1-253.13:4.

1c. The applicant shall certify in writing, on a form prescribed by the Commissioner, that he is a resident of the Commonwealth. The applicant's parent, guardian, or spouse over the age of eighteen shall also certify that the applicant is a resident by signing the certification.

2. The provisions of subdivision 1 of this section requiring that an application for a driver's license be signed by the parent, guardian, or spouse over the age of eighteen shall be waived by the Commissioner if the application is accompanied by a certified copy of a court order, issued under the provisions of Article 15 (§ 16.1-331 et seq.) of Chapter 11 of Title 16.1, declaring the applicant to be an emancipated minor.

3. Notwithstanding the provisions of subdivision 1 of this section requiring the successful completion of a driver education course approved by the State Department of Education, the Commissioner, on application therefor by a person at least sixteen years of age but less than eighteen years of age, shall issue to the applicant a temporary driver's license valid for six months provided he (i) certifies by signing, together with his parent, guardian, or spouse over the age of eighteen, a certification statement on a form prescribed by the Commissioner that he is a resident of the Commonwealth; (ii) is the holder of a valid driver's license from another state; and (iii) has not been found guilty of or otherwise responsible for an offense involving the operation of a motor vehicle. No temporary license issued under this subdivision shall be renewed, nor shall any second or subsequent temporary license under this subdivision be issued to the same applicant.

§ 46.2-335. Learner's permits; fees.

A. The Department, on receiving from any Virginia resident over the age of fifteen years, an application for a learner's permit may, subject to the applicant's successful completion of the written or

automated knowledge and vision examinations, issue a permit entitling the applicant, while having the permit in his immediate possession, to drive a motor vehicle on the highways, when accompanied by a licensed driver eighteen years of age or older who is actually occupying a seat beside the driver. Such permit shall be valid until he either is issued a driver's license as provided for in this chapter or no longer meets the qualifications for issuance of a learner's permit as provided in this section. For persons qualifying for a driver's license through driver education courses approved by the Department of Education or courses offered by commercial driver training schools licensed by the Department, the application for the learner's permit shall be used as the application for the driver's license. Driver's licenses shall be issued by the Department to persons successfully completing driver education courses approved by the Department of Education when the Department receives from the school proper certification that the student (i) has successfully completed such course, including a road skills examination and (ii) is in good academic standing and (iii) upon payment of a fee of \$2.40 per year, based on the period of the license's validity. The provisions of §§ 46.2-323 and 46.2-334 relating to evidence and certification of Virginia residence shall apply, mutatis mutandis, to learner's permits issued under this section. The application for a learner's permit shall not be granted without evidence of compliance with Article 1 (§ 22.1-254 et seq.) of Chapter 14 of Title 22.1, submitted on a form furnished by the Board of Education and certified by the division superintendent or any of his designees, the nonpublic school principal or any of his designees, or the home schooling parent or tutor, or presentation of a high school diploma or its equivalent or a certificate indicating completion of a prescribed course of study as defined by the local school board pursuant to § 22.1-253.13:4. The Department shall charge a fee of three dollars for each learner's permit issued under this section, which shall be paid into the driver education fund of the state treasury. It shall be unlawful for any person, after having received a learner's permit, to drive a motor vehicle without being accompanied by a licensed driver; *however, the learner's permit accompanied by documentation verifying that the driver, who is sixteen years of age, has successfully completed an approved driver's education course shall constitute a temporary driver's license for the purpose of driving unaccompanied, provided all other requirements of this chapter have been met. Such temporary driver's license shall only be valid until the driver has received his permanent license pursuant to § 46.2-336.* Violation of this section shall constitute a Class 2 misdemeanor. Nothing in this section shall be construed to permit the issuance of a learner's permit entitling a person to drive a commercial motor vehicle, except as provided by the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.).

B. Notwithstanding the provisions of subsection A of this section, the Department shall not issue a learner's permit with a classification entitling the permittee to drive motorcycles unless:

1. The person is receiving instructions from a qualified instructor in a course approved by the Department;
2. The person has successfully completed the off-street portion of the course;
3. When the instruction is conducted on the public highways, it follows a prescribed course which has been approved by the chief local law-enforcement official;
4. The persons receiving the instruction, or the motorcycles used in the instruction, are clearly marked "STUDENT DRIVER";
5. The person is under the supervision of his instructor at all times; and

§ 46.2-402. When Commissioner may suspend or revoke license for not more than one year after hearing.

A. The Commissioner may, after due hearing, after giving not less than five days' written notice by registered letter to the *most recent address given by of the driver when applying for his license on file at the Department*, suspend or revoke for not more than one year and not thereafter reissue during the period of suspension or revocation the Virginia driver's license issued to any person whenever it is satisfactorily proved at the hearing conducted by the Commissioner or other personnel of the Department designated by him, that the licensee under charges:

1. Has, by reckless or unlawful operation of a motor vehicle, caused or contributed to an accident resulting in death or injury to any other person or in serious property damage,
2. Is incompetent to drive a motor vehicle,
3. Suffers from mental or physical infirmities or disabilities rendering it unsafe for him to drive a motor vehicle on the highways,
4. Is habitually a reckless or negligent driver of a motor vehicle, or
5. Has committed a serious violation of the motor vehicle laws of this Commonwealth.

B. The Commissioner, in determining the propriety of suspending or revoking a license as provided in this section, may take into consideration facts and conditions antedating the issuance of the current license.

§ 46.2-416. Notice of suspension or revocation of license.

Whenever it is provided in this title that a driver's license may or shall be suspended or revoked either by the Commissioner or by a court, notice of the suspension or revocation or any certified copy

of the decision or order of the Commissioner may be sent by the Department by certified mail to the driver at the ~~last known~~ *most recent* address ~~supplied by~~ *of* the driver and on file at the Department. If the driver has previously been notified by mail or in person of the suspension or revocation or of an impending suspension for failure to pay fines and costs pursuant to § 46.2-395, whether notice is given by the court or law-enforcement officials as provided by law, and the Department has been notified by the court that notice was so given and the fines and costs were not paid within ten days, no notice of suspension shall be sent by the Department to the driver. If the certificate of the Commissioner or someone designated by him for that purpose shows that the notice or copy has been so sent or provided, it shall be deemed prima facie evidence that the notice or copy has been sent and delivered or otherwise provided to the driver for all purposes involving the application of the provisions of this title. In the discretion of the Commissioner, service may be made as provided in § 8.01-296, which service on the driver shall be made by delivery in writing to the driver in person in accordance with subdivision 1 of § 8.01-296 by a sheriff or deputy sheriff in the county or city in which the address is located, who shall, as directed by the Commissioner, take possession of any suspended or revoked license, registration card, or set of license plates or decals and return them to the office of the Commissioner. No such service shall be made if, prior to service, the driver has complied with the requirement which caused the issuance of the decision or order. In any such case, return shall be made to the Commissioner.

In lieu of making a direct payment to sheriffs as a fee for delivery of the Department's processes, the Commissioner shall effect a transfer of funds, on a monthly basis, to the Compensation Board to be used to provide additional support to sheriffs' departments. The amount of funds so transferred shall be as provided in the general appropriation act.

Whenever a person who has been placed on probation is convicted, or found not innocent in the case of a juvenile, of any offense for which demerit points are assessed, and the offense was committed during the probation period, the Commissioner shall suspend the person's license for a period of ninety days when six demerit points are assigned, for a period of sixty days when four demerit points are assigned, and for a period of forty-five days when three demerit points are assigned. In addition, the Commissioner shall again place the person on probation for a period of six months, effective on termination of the suspension imposed pursuant to this section.

B. Upon request, the Commissioner shall grant a restricted license during the first period of suspension imposed pursuant to subsection A of this section provided the person is otherwise eligible to be licensed. Any person whose driver's license is suspended for a second or subsequent time under subsection A of this section shall be eligible to receive a restricted driver's license only if the violation occurred within a probation period that was immediately preceded by a control period. A restricted license may be issued for any or all of the following purposes: (i) travel to and from his place of employment; (ii) travel during the hours of such person's employment if the operation of a motor vehicle is a necessary incident of such employment; (iii) travel to and from school if such person is a student; or (iv) such other medically necessary travel. Written verifications of the person's employment, continuing education or medically necessary travel shall also be required and made available to the Commissioner. Whenever a person who has been granted a restricted license pursuant to this subsection is convicted, or found not innocent in the case of a juvenile, of any offense for which demerit points are assessed, and the offense was committed during the restricted license period, the Commissioner shall suspend the person's license using the same demerit point criteria and suspension periods set forth in subsection A of this section. No restricted license issued pursuant to this subsection shall permit any person to operate a commercial motor vehicle as defined in the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.).

C. Whenever the Department receives notice from the court that restricted license privileges have been granted to a person who has an existing restricted license issued pursuant to subsection B of this section, the existing restricted license shall be cancelled, and the Commissioner shall suspend the person's license for the period of time remaining on the original order of suspension. No court-granted restricted license shall be issued until the end of the suspension period imposed by the Commissioner.
