134 must be in writing.

135 1. The Attorney General, or his agent for the Virginia National Guard as stated above, shall approve

143 in the area of drug interdiction, counterdrug and demand reduction activities, pursuant to orders, they  
144 shall not be held personally liable for any acts or omissions which occur during the performance of their  
145 duty.

146 ARTICLE IV.  
147 RESPONSIBILITIES.

148 A. Nothing in this compact shall be construed as a waiver of any benefits, privileges, immunities, or  
149 rights otherwise provided for National Guard personnel performing duty pursuant to Title 32 of the  
150 United States Code nor shall anything in this compact be construed as a waiver of coverage provided for  
151 under the Federal Tort Claims Act. In the event that National Guard personnel performing counterdrug  
152 activities do not receive rights, benefits, privileges and immunities otherwise provided for National  
153 Guard personnel as stated above, the following provisions shall apply:

154 1. Whenever National Guard forces of any responding state are engaged in another state in carrying  
155 out the purposes of this compact, the members thereof so engaged shall have the same powers, duties,  
156 rights, privileges and immunities as members of National Guard forces of the requesting state. The  
157 requesting state shall save and hold members of the National Guard forces of responding states harmless  
158 from civil liability, except as otherwise provided herein, for acts or omissions which occur in the  
159 performance of their duties while engaged in carrying out the purposes of this compact, whether the  
160 responding forces are serving the requesting state within the borders of the responding state or are  
161 attached to the requesting state for purposes of operational control.

162 2. Subject to the provisions of subdivisions 3, 4, and 5 of this section, all liability that may arise  
163 under the laws of the requesting state or the responding state, in connection with a request for assistance  
164 or support, shall be assumed and borne by the requesting state.

165 3. Any responding state rendering aid or assistance pursuant to this compact shall be reimbursed by  
166 the requesting state for any loss or damage to, or expense incurred in the operation of, any equipment  
167 answering a request for aid and for the cost of the materials, transportation and maintenance of National  
168 Guard personnel and equipment incurred in connection with such request; however, nothing herein  
169 contained shall prevent any responding state from assuming such loss, damage, expense, or other cost.

170 4. Unless there is a written agreement to the contrary, each party state shall provide, in the same  
171 amounts and manner as if its National Guard units were on duty within their own state, for pay and  
172 allowances of personnel of its National Guard units while engaged without the state pursuant to this  
173 compact and while going to and returning from such duty pursuant to this compact.

174 5. Each party state providing for the payment of compensation and death benefits to injured members  
175 and the representatives of deceased members of its National Guard forces, in case such members sustain  
176 injuries or are killed within their own state, shall provide for the payment of compensation and death  
177 benefits in the same manner and on the same terms in the event such members sustain injury or are  
178 killed while rendering assistance or support pursuant to this compact. Such benefits and compensation

179 shall be deemed items of expense reimbursable pursuant to subdivision 3 of this section.

180 B. Officers and enlisted personnel of the National Guard performing duties subject to proper orders  
181 pursuant to this compact shall be subject to and governed by the provisions of their home state code of  
182 military justice whether they are performing duties within or without their home state. In the event that  
183 any National Guard member commits, or is suspected of committing, a criminal offense while  
184 performing duties pursuant to this compact without his home state, he may be returned immediately to  
185 his home state and the home state shall be responsible for any disciplinary action to be taken. However,  
186 nothing in this section shall abrogate the general criminal jurisdiction of the state in which the offense  
187 occurred.

188 ARTICLE V.  
189 DELEGATION.

190 Nothing in this compact shall be construed to prevent the governor of a party state from delegating  
191 any of his responsibilities or authority respecting the National Guard, provided that such delegation is  
192 otherwise in accordance with law. For purposes of this compact, however, the governor shall not  
193 delegate the power to request assistance from another state.

194 ARTICLE VI.  
195 LIMITATIONS.

196 Nothing in this compact shall:

197 1. Authorize or permit National Guard units or personnel to be placed under the operational control  
198 of any person not having the National Guard rank or status required by law for the command in  
199 question.

200 2. Deprive a properly convened court of jurisdiction over an offense or a defendant merely because  
201 of the fact that the National Guard, while performing duties pursuant to this compact, was utilized in  
202 achieving an arrest or indictment.

209 ARTICLE VII.

210 CONSTRUCTION AND SEVERABILITY.

211 This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of  
212 this compact shall be severable, and, if any phrase, clause, sentence or provision of this compact is  
213 declared to be contrary to the Constitution of the United States or of any state or the applicability  
214 thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder  
215 of this compact and the applicability thereof to any government, agency, person or the circumstance
