Whereas, Section 9 (c) of Article X of the Constitution of Virginia provides that the General Assembly may authorize the creation of debt secured by a pledge of net revenues derived from rates, fees or other charges and the full faith and credit of the Commonwealth of Virginia, provided that such debt is created for specific revenue-producing capital projects, including the enlargement or improvement thereof, at, among others, institutions of higher learning of the Commonwealth; and

Whereas, in accordance with the provisions of Section 9 (c) of Article X of the Constitution of Virginia, the Governor has certified in writing, filed with the Auditor of Public Accounts, his opinion that the anticipated net revenues of each of the capital projects set forth below to be pledged to the payment of the principal of and the interest on that portion of such debt issued for each such project will be sufficient to meet such payments as the same become due and to provide such reserves as may be required by law and that each of the capital projects complies with the requirements of Section 9 (c) of Article X of the Constitution of Virginia; now, therefore,

Be it enacted by the General Assembly of Virginia:

1. § 1. *This act shall be known and may be cited as the "Commonwealth of Virginia Higher Educational Institutions Bond Act of 1996."*

91 § 3. The proceeds of the bonds, including any premium, except the proceeds of bonds the issuance of
92 which has been anticipated by bond anticipation notes, and the proceeds of any bond anticipation notes
93 shall be deposited in a special capital outlay fund in the state treasury and shall be disbursed by the
94 State Treasurer for paying all or any part of the cost of the acquisition, construction, renovation,
95 enlargement, improvement and equipping of said capital projects in the amounts provided in § 2 hereof,
96 plus issuance costs, reserve funds and other financing expenses. The proceeds of the bonds the issuance
97 of which has been anticipated by bond anticipation notes shall be used to pay such bond anticipation
98 notes. The Treasury Board shall be authorized to supplement the special capital outlay fund in the state
99 treasury from excess moneys in any debt service, sinking or comparable fund established in connection
100 with previous issues of higher educational institutions bonds so long as such excess fund moneys are not
101 otherwise restricted by law or by express contract with the holders of such prior bonds.

102 § 4. The bonds shall be dated, shall mature at such time or times not exceeding thirty years from
103 their date or dates, and may be made redeemable before their maturity or maturities at such price or
104 prices, all as may be determined by the Treasury Board, by and with the consent of the Governor. The
105 bonds shall be in such form, shall bear interest at such rate or rates, either at fixed rates or at rates
106 established by formula or other method, and may contain such other provisions, all as determined by
107 the Treasury Board or the State Treasurer, when authorized by the Treasury Board. The principal of,
108 premium, if any, and the interest on the bonds shall be payable in lawful money of the United States of
109 America. The Treasury Board shall fix the denomination or denominations of the bonds and the place or
110 places of payment of principal, premium, if any, and interest, which may be at the Office of the State
111 Treasurer or at any bank or trust company within or without the Commonwealth.

112 The bonds may be in registered form or as may be required by federal law in effect on the date of
113 issuance. The Treasury Board may contract for services of such registrars, transfer agents, or other

114 authenticating agents as it deems appropriate to maintain a record of the persons entitled to the bonds
 115 and the principal, premium, if any, and interest due thereon. Bonds issued in registered form may be
 116 issued under a system of book entry for recording the ownership and transfer of ownership of rights to
 117 receive payments of principal of, premium, if any, and interest on the bonds.

118 The Treasury Board may sell the bonds in such manner, at public or private sale, and for such price
 119 as it may determine, by and with the consent of the Governor, to be in the best interest of the
 120 Commonwealth. The bonds may be sold at par, at a premium or at a discount.

121 The bonds and the refunding bonds authorized hereby may be issued at one time or in part from
 122 time to time and may, in the discretion of the Treasury Board, be issued and sold at the same time with
 123 other general obligation bonds of the Commonwealth authorized pursuant to Article X, Section 9 (a) (3),
 124 (b), and (c) of the Constitution of Virginia, either as separate issues or as a combined issue, designated
 125 "Commonwealth of Virginia General Obligation Bonds, Series", or as a combination of both.

126 § 5. The bonds shall be signed on behalf of the Commonwealth by the Governor, or shall bear his
 127 facsimile signature, and by the State Treasurer, or shall bear his facsimile signature, and shall bear the
 128 lesser seal of the Commonwealth or a facsimile thereof. If the bonds bear the facsimile signature of the
 129 State Treasurer, the bonds shall be signed by such administrative assistant as the State Treasurer shall
 130 determine, or by such registrar or paying agent as may be designated to sign such bonds by the
 131 Treasury Board. If any officer whose signature or facsimile signature appears on any bonds ceases to
 132 be such officer before the delivery of such bonds, such signature or facsimile signature shall
 133 nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such
 134 delivery, and any bond may bear the facsimile signature of, or may be signed by, such persons as at the
 135 actual time of the execution of such bond are the proper officers to sign such bond although, at the date
 136 of such bond, such persons may not have been such officers.

137 § 6. All expenses incurred under this act shall be paid from the proceeds of the bonds, bond
 138 anticipation notes, or refunding bonds from payments made by the institutions for which the capital
 139 projects were authorized in § 2 hereof or from any other available funds as the Treasury Board shall
 140 determine, including excess moneys in any debt service, sinking or comparable fund created in
 141 connection with prior issues of higher educational institutions bonds to the extent not otherwise
 142 restricted by law or by contract with the holders of such prior bonds.

143 § 7. The Treasury Board is hereby authorized, by and with the consent of the Governor, to borrow
 144 money in anticipation of the issuance of the bonds. Such bond anticipation notes shall be dated, shall
 145 mature at such time or times not exceeding five years from their date or dates, and may be redeemable
 146 before their maturity or maturities at such price or prices, all as may be determined by the Treasury
 147 Board, by and with the consent of the Governor. Such bond anticipation notes shall be in such form,
 148 shall be executed in such manner, shall bear interest at such rate or rates, either at fixed rates or at
 149 rates established by formula or other method, and may contain such other provisions, all as the
 150 Treasury Board or the State Treasurer, when authorized by the Treasury Board, may determine. Such
 151 bond anticipation notes shall be executed in the manner provided in § 5 hereof for the execution of
 152 bonds.

153 The bond anticipation notes authorized hereby may be issued at one time or in part from time to
 154 time and may, in the discretion of the Treasury Board, be issued and sold at the same time with other
 155 bond anticipation notes of the Commonwealth authorized pursuant to Article X, Section 9 (a) (3), (b),
 156 and (c) of the Constitution of Virginia, either as a separate issue or as a combined issue, designated
 157 "Commonwealth of Virginia General Obligation Bonds, Series", or as a combination of both.

158 § 8. Pending the application of the proceeds of the bonds and any bond anticipation notes to the
 159 purpose for which they have been authorized, all or any part of such proceeds may be invested by the
 160 State Treasurer in securities that are legal investments under the laws of the Commonwealth for public
 161 funds. Such investments shall be deemed at all times to be a part of such proceeds, and the interest
 162 thereon and any profit realized from such investments shall be credited to such proceeds, and any losses
 163 shall be deducted therefrom.

164 § 9. Each institution of higher learning mentioned above is hereby authorized (i) to fix, revise,
 165 charge and collect a building fee or other comprehensive student fee and other rates, fees and charges
 166 for or in connection with the use, occupation and services of each capital project mentioned above or
 167 the system of which such capital project is a part and (ii) to pledge such rates, fees and charges
 168 remaining after payment of (a) the expenses of operating the project or system, as the case may be, and
 169 (b) the expenses related to all other activities funded by the building fee or other comprehensive student
 170 fee, if applicable, to the payment of the principal of, premium, if any, and interest on the portion of the
 171 bonds issued for such capital project. Each such institution is further authorized to create debt service
 172 and sinking funds for the payments of the principal of, premium, if any, and interest on the bonds and
 173 other reserves required by any agency of the United States of America purchasing the bonds or any
 174 portion thereof.

175 § 10. The net revenues of the capital projects set forth above and the full faith and credit of the
176 Commonwealth are hereby irrevocably pledged for the payment of the principal of and the interest on
177 the bonds and any refunding bonds herein authorized. The proceeds of bonds, the issuance of which has
178 been anticipated by bond anticipation notes, are hereby irrevocably pledged for the payment of principal
179 of and interest on such bond anticipation notes. In addition, the Treasury Board may pledge the full
180 faith and credit of the Commonwealth for the payment of principal of and interest on any bond
181 anticipation notes. In the event the net revenues pledged hereby are insufficient in any fiscal year for
182 the timely payment of the principal of, premium, if any, and interest on the bonds, any refunding bonds
183 or any bond anticipation notes herein authorized where the full faith and credit of the Commonwealth
184 have been pledged, the General Assembly shall appropriate a sum sufficient therefor or the Governor
185 shall direct payment therefor from the general fund revenues of the Commonwealth.

186 § 11. The interest income on the bonds and any refunding bonds or bond anticipation notes issued
187 under the provisions of this act shall at all times be exempt from taxation by the Commonwealth and by
188 any county, city or town, or other political subdivision thereof. The interest on the bonds and any
189 refunding bonds or bond anticipation notes may be subject to inclusion in gross income of the holders
190 thereof for federal income tax purposes.

191 § 12. The Treasury Board is authorized, by and with the consent of the Governor, to sell and issue,
192 at one time or from time to time, refunding bonds of the Commonwealth, to be designated as provided
193 in § 2 hereof to refund any or all of the bonds issued under this act. No refunding bonds shall be issued
194 in a principal amount exceeding that necessary to amortize the principal of and premium, if any, and
195 interest on the bonds to be refunded and pay all issuance costs and other financing expenses of the
196 refunding bonds. Such refunding bonds may be issued whether or not the bonds to be refunded are then
197 subject to redemption.

198 § 13. The provisions of this act or the application thereof to any person or circumstance which are
199 held invalid shall not affect the validity of other provisions or applications of this act which can be
200 given effect without the invalid provisions or applications.

201 **2. That Chapters 824 and 878 of the Acts of Assembly of 1994 and Chapter 191 of the Acts of**
202 **Assembly of 1995 are repealed; however, such repeal shall not operate to invalidate, alter the**
203 **security, or prohibit the refunding of bonds heretofore issued pursuant to such acts.**

204 **3. That an emergency exists and this act is in force from its passage.**
