HOUSE JOINT RESOLUTION NO. 104

House Amendments in [] — February 8, 1996

Establishing a joint subcommittee to study drinking water supply problems and funding mechanisms to correct drinking water deficiencies in southwestern Virginia.

Patron—Phillips

Referred to Committee on Rules

WHEREAS, maintaining and preserving adequate supplies of drinking water is critical to the health of all citizens of the Commonwealth; and

WHEREAS, southwestern Virginia has suffered devastating losses of drinking water supplies due to geological, manmade, and weather conditions; and

WHEREAS, upwards of tens of thousands of citizens of the Commonwealth have had to suffer due to lack of a reliable water supply, particularly from groundwater; and

WHEREAS, many of the causes of the loss and lack of groundwater supplies have been in part identified in southwestern Virginia, but funding mechanisms to provide adequate water supplies to citizens of that region have not; now, therefore, be it

RESOLVED by the House of Delegates, the Senate concurring, That a joint subcommittee be established to [~~review the drinking water supply problems in southwestern Virginia and to study and~~ study drinking water supply problems and funding mechanisms to correct drinking water deficiencies in southwestern Virginia. The joint subcommittee shall] make recommendations on potential funding mechanisms to resolve those problems, including an analysis of the proper state role in assisting with funding. The joint subcommittee shall be composed of ten members as follows: four shall be members of the House of Delegates to be appointed by the Speaker of the House; three shall be members of the Senate to be appointed by the Senate Committee on Privileges and Elections; and three shall be citizen members, two to be appointed by the speaker of the House and one to be appointed by the Senate Committee on Privileges and Elections. Of the citizen members; one shall be involved in programs to provide water supply funding for rural localities, one shall represent the coal mining industry, and one shall be involved in the study of water supply problems in southwestern Virginia.

The direct costs of this study shall not exceed \$ 5,400.

The Division of Legislative Services shall provide staff support for the study. All agencies of the Commonwealth shall provide assistance to the joint subcommittee, upon request.

The joint subcommittee shall complete its work in time to submit its findings and recommendations to the Governor and the 1997 Session of the General Assembly as provided in the procedures of the Division of Legislative Automated Systems for the processing of legislative documents.

Implementation of this resolution is subject to subsequent approval and certification by the Joint Rules Committee. The Committee may withhold expenditures or delay the period for the conduct of the study.
