101 operator of a motor vehicle, trailer, or semitrailer to fail to obtain and display the local license required
102 by any ordinance of the county, city or town in which the vehicle is registered or to display upon a
103 motor vehicle, trailer, or semitrailer any such local license after its expiration date. The ordinance may
104 provide that a violation shall constitute a misdemeanor the penalty for which shall not exceed that of a
105 Class 4 misdemeanor and may, in the case of a motor vehicle registered to a resident of the locality
106 where such vehicle is registered, authorize the issuance by local law-enforcement officers of citations,
107 summonses, parking tickets, or uniform traffic summonses for violations. Any such ordinance may also
108 provide that a violation of the ordinance by the registered owner of the vehicle may not be discharged
109 by payment of a fine except upon presentation of satisfactory evidence that the required license has been
110 obtained.

111 H. Except as provided by subsections E and F, no vehicle shall be subject to taxation under the
112 provisions of this section in more than one jurisdiction.

117 enter into an agreement with the Commissioner whereby the Commissioner will refuse to issue or renew
118 any vehicle registration of any applicant therefor who owes to such county, city or town any delinquent
119 tangible personal property tax levied with respect to such vehicle in excess of \$100. Before being issued
120 any vehicle registration or renewal of such license or registration by the Commissioner, the applicant
121 must first satisfy all such delinquent taxes and present evidence satisfactory to the Commissioner that all

such delinquent taxes have been paid in full. The Commissioner shall charge a reasonable fee to cover the costs of such enforcement action. The treasurer or director of finance of any county, city, or town seeking to collect delinquent taxes through the withholding of registration or renewal thereof by the Commissioner as provided for in this subsection shall notify the Commissioner in the manner provided for in his agreement with the Commissioner and supply to the Commissioner information necessary to identify the debtor whose registration or renewal is to be denied. Any agreement entered into pursuant to the provisions of this subsection shall provide the debtor notice of the intent to deny renewal of registration at least thirty days prior to the expiration date of a current vehicle registration. For the purposes of this subsection, notice by first-class mail to the registrant's address as maintained in the records of the Department of Motor Vehicles shall be deemed sufficient.

K. The governing bodies of any two or more counties, cities, or towns may enter into compacts for the regional enforcement of local motor vehicle license requirements. The governing body of each participating jurisdiction may by ordinance require the owner or operator of any motor vehicle, trailer, or semitrailer to display on his vehicle a valid local license issued by another county, city, or town that is a party to the regional compact, provided that the owner or operator is required by the jurisdiction of situs, as provided in § 58.1-3511, to obtain and display such license. The ordinance may provide that a violation shall constitute a misdemeanor the penalty for which shall not exceed that of a Class 4 misdemeanor. Any such ordinance may also provide that a violation of the ordinance by the owner of the vehicle may not be discharged by payment of a fine except upon presentation of satisfactory evidence that the required license has been obtained.
