 381 the assessment of the Commission or the Department.

382 § 58.1-2603. Local levies to be extended by commissioners of revenue; copies; forms.

 396 ~~January 1 for nineteen years an additional one-twentieth, of the assessed valuation on January 1, 1966,~~
 397 ~~(reduced by forty percent of the value of the amount, if any, by which total retirements since January 1,~~
 398 ~~1966, exceed total additions since that date), shall be assessed by application of the local assessment~~
 399 ~~ratio as provided above, and the remainder shall continue to be assessed by application of the forty~~
 400 ~~percent assessment ratio as heretofore administered. Thereafter the whole shall be assessed by~~

 406 value.

407 C. On request of any local taxing district in connection with any reassessment of property,
 408 representatives of the State Corporation Commission and the Department shall consult with

 431 unequalized public service corporation property in any county, city or town is less than the effective tax
 432 rate applicable to other real property therein, the locality shall adjust such nominal rate to equalize the
 433 effective tax rate on such public service corporation property with the effective tax rate applicable to
 434 other real property.

435 B. The assessed valuation of any class of property taxed as tangible personal property by any county,
 436 city or town before January 1, 1966, may continue to be taxed at rates no higher than those levied on

 438 subsequent January 1 for nineteen years an additional one-twentieth, of the assessed valuation of such
 439 tangible personal property on January 1, 1966, shall be taxed at the real estate rate and the remainder
 440 may continue to be taxed at a rate no higher than the rate levied on tangible personal property on
 441 January 1, 1966. After December 31, 1985, the whole shall be taxed at the full local real estate tax rate.

 452 to the appraised values placed by local assessors on similar properties in the taxing district, they shall be
 453 assessed by application of the local stated ratio of assessments to appraisals, and taxed at the rate
 454 applicable to other real property in the taxing district. Such property is hereby defined as a separate item
 455 of taxation for such purpose and shall be identified as a separate class of property for local taxation.

456 § 58.1-2610. Penalty for failure to file timely report.

457 Any taxpayer person failing to make a report required under the provisions of this chapter within the

 466 the State Corporation Commission or the Department, as the case may be, mails the corporation person
 467 a certified copy of the assessment on or before May 15 preceding. In the event such copy is not mailed
 468 on or before May 15 preceding, the penalty for nonpayment in time shall not accrue until the close of

509 amount paid in such taxable period by such cooperative to purchase, for the purpose of resale within the
510 Commonwealth, electricity from a federal entity which made payments during such taxable period to the
511 Commonwealth in lieu of taxes in accordance with a federal law requiring such payments to be

640 A. *The service provider shall collect the tax from the consumer by adding it as a separate charge to*
 641 *the consumer's monthly statement. Until the consumer pays the tax to such provider, the tax shall*
 642 *constitute a debt of the consumer to the Commonwealth. If any consumer refuses to pay the tax, the*
 643 *service provider shall notify the Commission and/or localities of the names and addresses of such*
 644 *consumers. After the consumer pays the tax to the service provider, the taxes collected shall be deemed*
 645 *to be held in trust by such provider until remitted to the Commission and/or localities.*

646 B. *A service provider shall remit monthly to the Commission the amount of tax paid during the*
 647 *preceding month by the service provider's consumers, except for (i) amounts added on the bills to*

 655 *member), shall be remitted monthly by such entity to the Commission, except that the portion which*
 656 *represents the local consumption tax shall be remitted to the locality in which the electricity was*
 657 *consumed and shall be based on such locality's license fee rate which it imposed.*

658 C. *The electric utility consumption tax shall be remitted monthly, on or before the last day of the*
 659 *succeeding month of collection. Those portions of the electric utility consumption tax that relate to the*
 660 *state consumption tax and the special regulatory tax shall be remitted to the Commission; the portion*
 661 *that relates to the local consumption tax shall be remitted to the localities. Failure to remit timely will*
 662 *result in a ten percent penalty.*

673 consumption tax paid under subsection A of § 58.1-2900, the excess collected by the Commission shall
674 constitute additional state consumption tax revenue and shall be remitted by the Commission to the state
675 treasury.

676 G. The Department of taxation may audit the books and records of any electric utility owned and
677 operated by a municipality (or an association or agency of which the municipality is a member) to
678 verify that the tax imposed by this chapter has been correctly determined and properly remitted to the
679 Commission.
